

December 2011

This is what we honor and celebrate:

The basis of Christmas is the rock, Christ Jesus; its fruits are inspiration and spiritual understanding of joy and rejoicing, — not because of tradition, usage, or corporeal pleasures, but because of fundamental and demonstrable truth, because of the heaven within us. The basis of Christmas is love loving its enemies, returning good for evil, love that ‘suffereth long, and is kind.’ The true spirit of Christmas elevates medicine to Mind; it casts out evils, heals the sick, raises the dormant faculties, appeals to all conditions, and supplies every need of man. It leaves hygiene, medicine, ethics, and religion to God and His Christ, to that which is the Way, in word and in deed, — the Way, the Truth, and the Life.

Mary Baker Eddy, My. 260:17

And the joyous news is that it is with us each and every day of the year! Blest Christmas wishes from the Desert View team,
