

# Shop Hop Event in Chattanooga

Mark Your Calendars for June 26<sup>th</sup>, 2025

Get ready for a day chock-full of fun and creativity as Quilting Bees hosts its exciting 1<sup>st</sup> Annual Shop Hop on June 26. This event will feature visits to four unique shops, with a bonus shop thrown in for good measure.

## Event Details

### Participating Shops

During the Shop Hop, you will have the opportunity to visit four main shops and a bonus shop. Each store offers something special, ensuring a memorable experience for all participants.

### Time

Participants should be aware of the time change in Chattanooga to ensure they stay on schedule. Most stores open at 10 AM EST. It will take about an hour and a half to reach the first shop and approximately two hours to return to town from the last shop. Plan your route accordingly to make the most of your day.

### Prizes

In addition to the joy of exploring different stores, participants will have the opportunity to win amazing prizes. We have acquired prizes from each participating store, which will be awarded after the Shop Hop in July.

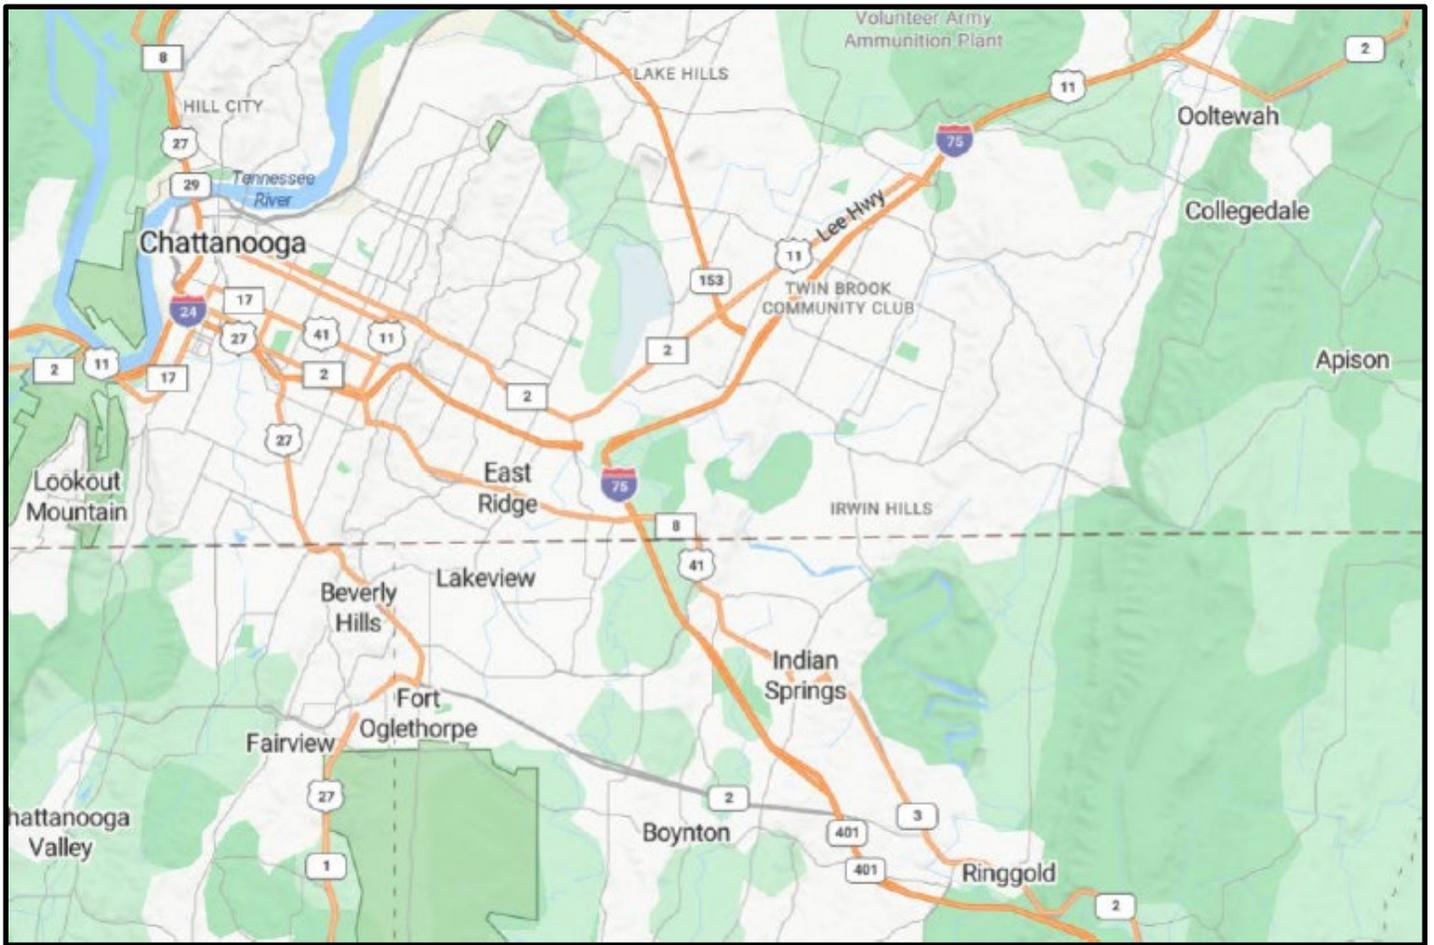

### Packets for Every Participant

Every participant will receive a unique packet containing items needed for the trip. Included will be a passport listing the names of each store. As you visit each shop, ask to have your passport stamped. You will also receive a distinctive bingo card that features items you will encounter on the road, along with things you will find in the stores. You will need to be particularly observant to spot some items, so stay alert! Lastly, there will be a map illustrating each store's approximate location, providing a visual representation of the route. Additionally, suggestions for areas with multiple lunch options will be included.

### Suggested Travel Route

While we will suggest a travel order, you are free to choose your own route. This flexibility allows you to customize your Shop Hop experience based on your preferences.

Join us on June 26 for the Shop Hop event in Chattanooga, and prepare for a day of exploration, creativity, and fun. Happy hopping!
