The Speedy Sweep Sweeper™
Lightweight battery operated cordless cleaning made easy. Most durable, incredibly powerful, longest running cordless sweeper available!

### HOME

**Light Weight**

**Only 4.6 lbs.**
Ideal for anyone that has a hard time lifting a vacuum.

Great for cleaning and tidying up behind children, pets, your kitchen, bathroom, living & dining room areas anytime without having to pull out a heavy vacuum.

**Scratch Resistant**
Soft rubber wheels are ideal for Wood, Laminate, Linoleum flooring that can easily scratch with a heavy vacuum.

### BUSINESS

**Whisper Quiet**
Cleans Big or Small jobs without the obtrusive cord.

Quietly picks up even the lightest litter around tables, work stations, rest rooms, hallways, classrooms, stairways, cafeterias and entrance mats.

Cleans what breaks or clogs traditional vacuums first.

**Portable & Compact**
Ideal for Cleaning your RV - Boat & Garage.

### COMMERCIAL GRADE
