

Customizable IT'S A DISASTER! book or ebook for students, faculty & staff

Fedhealth's customizable disaster preparedness and first aid manual is a unique tool for universities, K-12 campuses and others to help students, faculty, staff, and families prepare for the unexpected.

The 266-page paperback provides quick-reference instructional bullets in 2-color format with tips on what people should think about and do before, during and after most types of **emergencies** and **disasters** (e.g. floods, hurricanes, tornadoes, infectious disease outbreaks, active shooter scenarios, etc.), as well as how to administer basic **first aid**.

Download a [free 63-page PDF ebook portion](#) of our 266-pg book to see book contents, layout, some topics, etc.

See how **Coastal Carolina University** [customized their cover & first 20 pages](#) for CCU students (and their parents) and staff (*rest of book is same as our 266-pg red book*)

Bulk price on the paperback is only **\$5.00** U.S. each **delivered*** (almost **70%** off \$14.99 list) when purchasing **10 or more** copies, plus Fedhealth offers FREE customization and match benefits when using grants + more.

Books can be [customized](#) either with peel & stick labels using our standard **red** books (**10** copies & up) ... or ... the book covers, title and **first 12 pages** can be personalized in full color in the **print** process (**1,000** copies & up) to include plans, COVID-19 protocols, maps, local emergency data and more + add extra pages if needed.

We also can customize our interactive PDF [ebook](#) in **bulk** for **\$5.00** U.S. each **or less...**
