February 20 is Legislative Pizza and Pop at the Capitol

Dawn updated Treasure's Report, minutes from last month's meeting were read by Kathy.

Dondi Vesprini, our Abate lawyer, attended today's meeting. The topic of conversation was Senate Bill 528. He was very informative and answered a lot of questions. I think we all understood this bill a lot more after listening to him. This bill needs to be fixed and everyone needs to send letters and make phone calls to your legislators.

THANK YOU DONDI for attending our meeting today.

If you have any questions and were not at the meeting you can read page 25 in the rider Hope to see you you at dinner on the 23rd and then at the December meeting.
