

*discover . . . experience . . . express . . .*

---

*Our Mission is to stimulate, develop, preserve and inspire interest in the visual and performing arts with a focus on the American art forms of Tap Dance and Jazz Music. To educate the general public, particularly young people, about these uniquely American art forms; and to provide a forum of Expression for actors, dancers, choreographers, musicians, composers, and visual and performing artists. We also provide scholarships for students of all ages to enrich their lives through the study of the arts.*
