CCDA's National Awareness & Action Week  
on Mass Incarceration

Saturday February, 9th

Every year several thousand men and women return from jail and prison to Muskegon County. Fresh Coast Alliance is a reentry and recovery collaborative partnering with like-minded churches, business and agencies to serve the unmet needs in Muskegon.

**Please join us as we kick off CCDA's National Awareness & Action Week on Mass Incarceration.**

We are gathering, as the church, to discuss prison social justice reform from a theological perspective and raise awareness about some of the unique challenges returned citizens face. We invite you to come learn where you can take action and connect to the conversation in service to men and women both behind bars and returning home.
