Materials List:

- Drawing supplies for sketches and value studies
- Medium Grit sanded pastel paper (students can purchase one large sheet and cut it to size)
- Set of NuPastels (the larger the set the better)
- Bring whatever soft pastels you have.
- Light box for still life set up. Copy paper boxes work great! Paint the inside of the box black. Box must be large enough to accommodate your set up, so I do not recommend anything smaller than a copy paper box.
