Presidents Thought's

April 8, 2021

Greetings members:

Again, I hope all is well. I want to welcome all the new members who have joined the club these past few months during these tough times. The end is in sight. (Really). Just a couple words of caution. The snakes are out. We have already had a member bit for the second time. Luckily the bite only penetrated the clothing and did not break the skin. The member said he could feel the venom running down his leg. So close. Be careful out there. This Mohave was hiding in a bush well off the ground, probably looking for a bird. He blended in so well he could not be found after the strike. No flip flops.

Be careful out there and may there be lots of color in your pans.
