DESCRIPTION: The Pearson Colt was a great budget conscious bow. This refurbished one has an Olla riser. Tip overlays have been added to beautify and protect the limb tips. Comfortable grip. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. There are some nicks on the side of the riser (see past pic). It was not worth refinishing the entire riser. The close-up photo makes it look a lot worse than it appears in person. There are a few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range and test shot. Comes with a new rug rest and side plate, and a new string.
