7EE ~ Keys of Self-Mastery

When Do I Start ~

If you are Reading this **Letter**, then *maybe* you have already been **Summoned by Source and of your-Self** to these **Transmissional-Teachings**, in the Remembrance of your **Angelic-Arrival** of this **New Beginning**.

IF you have decided **that** it is *Time* to begin your **7EE**, then you have already **Tuned-in** with your **Higher-Self, the Star Systems and Source** for a Continual Commitment of your **Awakening** process.

Timing is Impeccable, and in a Divine Alignment of one's Arrival to this **7-Day Energy Experience**. When one has Arrived, the **Embodiment's Energy** begins to Stimulate an **Experience** to an Advanced and Accelerated Alignment of the I Am. In fact, if you are Finding your Embodiment to be Reactive to this Information, then one *may* already be preparing for this **Experience**, as they Read these very Words.

Basically, it means that "**All is Ready and in Full Alignment**". Like arranging for a "Holiday trip", You have Prepared Yourself for a Great Adventure, that is about to Begin, that has really, already Begun!!!

The **7EE** is a **24 Hour, 7-Day Remote Experience** in Dedication and Commitment to You.

The **Energy of this Experience** remains open-ended until the **Conclusion** of your **7-Day Transmission Energy Experience**. This **7EE** is a Never-Ending Story of Infinite Intelligence.

Beginning at exactly 12:00 a.m. of the Dates Chosen, the **Energy Experience** will have already been Activated, to begin the Transmissions and Encodings that you have **Permissioned** yourself to Receive.

This **7-Day Energy Experience** is Completely **REMOTE** and in the Privacy of your own Space and Time.

All of the **Transmissonal-Teachings** will come **via Email**, and Mary will spiritually-communicate to you from her Higher-Self to Yours. It is important to Tune-in as much as possible and be in an Awareness.

Listen to your body's makeup, and maybe even **Journal** your Experiences, to recognize the changes that begin to naturally occur.

In this **7-Day Process**, **One MAY continue the "everyday routine of life ~ while at the same time, create Space for the 7-days of healings, activations, advancements and encodings as The Energy Experience is in a continual Flow.**

Mary will go into a **~7-Day-Spiritual-Vigil~** in a *Consistent and Continuous Commitment with you.*

During the **7EE Transmissonal-Teachings**, one Receives Keys, Codes and Data, as the Seven Seals are Revealed.

As the **Experience** begins, the influx of **Energy** ranges at multiple levels for each individual. Some may feel the Energy very strongly, while others say it comes with Grace and Ease.

Some will have Visions, Feelings, Shifts, Dream-States, Alterations, and so much more. As each **Layer is Lifted**, more and more is Gifted. There are Lots of 'Ah-ha' moments.

As each '**Band-Aid of Past**' is Released, the ability to heal is Enhanced. Also, remembering, that if the wound or scar beneath this Band-Aid was deep, it may begin to **Lift more Layers** to the next Reveal. **It's ok**, we want this to happen, as to Complete the **Lessons-Lived as to Learn** from it, and move onward and upward to our complete healing.

Some have described their journeys as Adventurous with an uplifting feeling of Light, more in tune with their Higher-Self as the Intuition kicks in. While some may be tired or with low energy, due to the Releasing of the Old and Obstructed energy that had been held down deep within, that is now Rising and being Released. Though as time passes, the **Awakening process** will proceed one to the next levels of their personal experiences.

The ***Energy Experiences are Alive and Full of Light-Frequency***, that provides the ability to flush all Old conceived notions that can no longer be sustained or remained within the ***Embodiment of the I Am***.

During the Many Activations, one may also feel as if at times, they have teleported to higher frequency fields, as some refer this as an out-of- body experience.

Light Travel is a great part of this movement, as to be able to access the **Records in the Repository**, for the Consumption of the Coded-Material needed, as to be Remembered, Reset and Re-aligned.

Every time someone is Activated through the **Sacred Stories Transmissions**, they begin to **Reflect** on many different Aspectual Experiences throughout lifetimes, as to bring forward of this most **Pertinent lifetime of Experiences**, the information that is needed for this Incarnation to be Karmically Co-Corrected and Balanced.

There is a Connecting-of-the Dots as the Intuition kicks in, and a Self-Acknowledgement is Reminded to one's Awakening.

Moment by Moment one is in a newer Awareness, which is a **Key of Connectivity** by a natural flow of Energy, that comes without Expectations.

While Mary is in the **Continual Remote Service** with you, she will assist one to raise their vibration as activated. In this Encoding one may remember, the **Inner and Infinite Intelligence** that can assist you in your awakening. In this Illumination process, healings, activations, attunements and blessings occur.

**"Releasing Expectations is the Key
So, that the Mastery of Self
May begin to Receive,
As Intended
to be"**

To Begin the **7-Day Energy Experience** ~

The **7EE** is an energetic **Reboot to Remember, Release, Repair, Re-align, and Receive, while Calibrating and Encoding the Cellular Makeup**. It helps to detoxify the old energetic-system, cleanse impurities of the past, and create an illuminated restructuring on a cellular level to withstand the **New-Light Body Experience**.

When one Clears the Old, New May Arrive.

All that is **Required** for your **7-Day Energy Experience**, is an Open and Receptive Heart, Trust in Us, Patience and a willingness to Receive.

Throughout the **7EE**, we are given **Transmissional-Teachings** as **Sacred Stories of Light** are Received from the **Light-Tablets of our Truest Self**. These Sacred Stories are referenced as ***Illuminations*** drawn from the **Light of Love**.
