Master Of Illusion

**magical moment
Laurel Canyon &
Ventura Boulevard**

Grand Illusionist Michael Grandinetti — one of the fab stars of the CW Hit Show **MASTER OF ILLUSION** took his magical powers to new heights when he levitated a woman at the intersection of Laurel Canyon and Venture Boulevard during rush hour. **SAY WHAT!!!! OH YEAH.....**

If you haven't watched the magic show of all magic shows, **MASTERS OF ILLUSION**, on Friday nights hosted by actor Dean Cain, get ready for some eye-popping FUN! The show highlights the world's greatest magicians, some are new performers, there is audience participation and interactive magic. Imagine passing motorists on their way home from a hard day at work and seeing a woman hang in mid air on a street corner! No magic box, no hanging wires, no secret trap door or slip of the eye trick of the trade making people disappear behind curtains. Just plain old fashioned MAGIC. We love it. Thanks dude.
