

Bitterroot Celtic Games & Gathering August 21-22, 2021

Registration for Highland and Irish Dancers to perform Demonstration Dancing

Since we are NOT sponsoring our annual highland dance competition this year due to ScotDance COVID restrictions, we're hoping some Highland and Irish dancers will consider doing traditional dance demonstrations or non-traditional choreographies to keep the spirit alive. The performer's entrance, parking permit plus 2 additional adult tickets are provided **FREE** for the day they dance if registered by August 11. Dancers should be prepared to perform a minimum of 2 dances and provide their own music. The order of performance will be established just before performance times and a sound system is provided. We hope to see many of you there.
