“JESUS AND FAMILY”

‘Where Is Your Family Going To Spend Eternity..., Really?’

John 3:1-6

YOU MUST BE!!

Jesus is a lifestyle, not merely a religion.

Act 16:25-34

“Believe on the Lord Jesus Christ and thou shalt be saved..., and *your family.*” **THEY MUST BE!!**

The Bible and the family coming to Christ.

Joshua 2, Rahab the harlot. Acts 10, Philippian jailer.

Matt. 8, Roman centurion.

You are responsible for telling them, they are responsible for their response.

Statistically America is “White, Christian, Male, Authority.”

The Christian family needs to walk with God daily.

When was the last time you prayed as a family?

When was the last time you read the Bible as a family?

When was the last time you asked God for help or direction as a family?

When was the last time your family sought God and knew that He answered?

We need to place God at the center of our family.

Make a family ritual:

- AT DINNER each day
- READ one proverb and apply it
- ROTATE let each one at the table make application
- LIGHT a candle.. say a prayer
- SHARE a thanksgiving and insight

WHERE IS YOUR FAMILY GOING TO SPEND ETERNITY?
