

- III. In the year 2013, the Federals, Barak Obama, the State Governors, the Senators, the Justice department, the Homeland Security, TSA, the Counties, and the many devils put me in the hospital four times during that year, and I am never a person to be sick to go to the hospital. Only once when I removed fibroids that the federals forced into my vagina, as they couldn't get to possess me with their sextile or other things. While I was at the hospital, the Holy Spirits, I believe it was, Donald Trump's wife and others attacked me while I was taking a shower, and almost killed me in the hospital. They did many bad things to my brain, and that caused me to collapse on the floor and sprained my right wrist. I have had to do microscopic surgery on my right wrist. As a result of that, and I am having many problems with my wrist since that time. There are too many bad things happening as a result of the federals devils for so long, that is just too much to talk about.
- IV. I am extremely angry as I had to take time to add to this document. While I am reviewing the document, and writing the additional information, the devils are stinging me and interrupting my work with the high-powered beams and other instruments on my body and on the computer. I bought this computer and this printer last year October 2016 and before it was opened the federals went in and tore the computer down. Since I have had it, it has not been performing and then I realized that it is the devils. When I call Dell to work on it, as it has warranty, they do not do a good job, as they allow the federals to gain access. So, these are the problems my children are experiencing and their moneys are being wasted and their time is wasted as, they have to keep on calling to get new computers repaired. I asked Dell to take back the computer, and give me a better performing one since about January and they said no they do not do that. Dell cannot do that and that is poor business etiquette and unprofessional practice. Dell has a monopoly on the computer market, and their computers are shoddy with poor performance and yet they do not care about their customers as Dell has gone federal and plastic. This computer cannot handle the high-powered beams they are using to destroy my belongings.
- V. These federal devils have destroyed my children and this Earth and outside of these Earths with these high-powered beams and causing your body to have cancer and for you to be in pain. Some of you believe that you have cancers and die as a result of these devils torture to you with these hot beams that cause you constant and tormenting pain. A great majority of the doctors are plastics and rubber, and we do not know. They work with the federals and are not licensed and some not properly trained to handle Earth lives as we are different type of lives from them. Our bodies do not function like theirs, and their physician help is not good and we do not know what to do.
- VI. The State of Florida has a lot of plastic doctors as the State of Florida Governor, Rick Scott, is Plastic or rubber or mixed. Many of these plastic doctors tell us lies that we have diseases so the federal can have access to us. These federal devils do not know when to stop and they go on forever and forever with the same devil wickednesses, as they are not us, and they are insects and animals. The devils are around us every day and by the minute with the beams stinging and burning us, and we feel the pain and the fainting, but it is not our body dysfunctioning, it is the devils carrying out terrorism on us with attacks and planning to kill us with lies.

You have no idea how enormous outside the Earth is. I have so many Chreations, as time goes on, and new Chreations have to be made to make everything improved and to find ways to protect against the devels. So, many different skin types are Chreated and many different types of Chreations are built for different Lives. All lives cannot live in all Chreations as it is not built for the person. Many Chreations or outside places you go into, you become rubber, insect, animals, or reduced tremendously, as the elevations and the make-up of the Chreations are not the same and built specific to a skin type and knowledge. The knowledge level differs in each Chreation and elevation.

I have many chreations to take care of, and the devels are in my mind right now, removing what I want to say to you. They wiped it out, and it is important for you to know, and they do not want me to tell you what you must know.

I have many other documents to work on, and to take a shower for the first time in three days, and I cannot do so, as these interruptions and time-consuming situation keep happening many times a day. While I am in pain and struggling to type the documents, someone is on my chair or on my back digging out my head and shoulder, and pulling things out of my head and putting my eyes to sleep while they remove things from my computer screen and the document. At the same time, the mouse cannot work as they have many sorcery things on it. I cleaned it up, and the high beam is overpowering. That is how I spent my days and nights struggling to do things with many gazillions of devels and federals obstructing, torturing, and destroying my computer and piercing me in my throat. The keyboard cannot function the way it is to be because of the high beam and pressure on it, and the screen cannot work as they have the high-powered vectors and the high-powered scanners and zoners on me, on my fingers, on the mouse, and on the keyboard pushing my finger off and freezing the computer. Dell and Microsoft on the other hands comes into my house from my window in my office. They removed all protection from the window and they just stepped in my home as they like, and just open my computer and give the federal, the FBI, the Secret Service, Homeland Security, TSA and a whole host of other agencies and leeders access for them to destroy my computer as they all just do wickedness and they know what they are doing and they do these wicked things per day as that is their job to pretend to be working when they are all around doing wicked things destroying my properties and my children and our lives.

.....

Rex Tillerson, only dogs name Rex. You are a PUSSY BATTY MAN. Only a woman is a Secretary. Only a woman is a leader over Life. All man comes from a woman Pussy. If there is no woman, there is no Life. Unless you drop from a man’s Batty. Any man doing a woman’s job is a PUSSY BATTY MAN. No woman needs a man to create a child in this Earth or anywhere. No man has authority in any place. There was no man in any Chreation. Some Chreations do not have man. Woman do not need a man to live with or to fuck. Woman do not lick or fuck woman. Read my articles and you will understand, that I don’t have nothing to do with a Pussy Batty Man.

My authority is also in my voice, and I can shout down the Earth if I want. I am supposed to shout as loud as I want, when I want, and when I feel to shout. I AM “SHOUTING” AT YOU NOW: I own all devela, devele, devels, develasness, whita, white, whites, whitaness, etc., and all that esist and not esist. All devels are under my authority whether they want it or like it or not. If you are a Celestial, Read your Article from Interlope or Pentelope. Get out of the Secretary Job. Read article 11: Man story and Article 12.

Today, August 16, 2017, I got a letter from the Department of State. When I opened the letter I looked at the letter and it reads: We received your recent passport request. However, the name you are applying in, Paulett Angella Hemmings PHD GOG, is different than the name on your previous passport, Paulett A. Hemmings. Your passport fees have been retained by this office and your evidence of U.S. citizenship is being returned to you.

When I read this, I couldn't believe what I was reading. I then looked at the date and it says May 4, 2017. Then I looked at the envelope to see what type of envelope it was. It was a brownish manila envelope, and it has a red stamp like those from Pitney Bowes. It has a white label with an unusual address of Paulett A Hemmings, c /o: Brandon Pointe and then it has my address. And the label has a type written date of Thur 05/04/2017 and the font is the same font as my address as they typed it. On the white label is something that looks like a tracking mark that usually comes from the post office on posted mails. It has 14 long upward strokes and 18 small upward strokes. On the back of the manila envelope is the same white labels with no typing or writing covering the area that is sealed with glue.

My stomach became full and my mouth lost taste, as I looked at the envelope. Inside of it is a three-paged letter from Customer Service Department. There was also a U.S. passport application form that has six (6) sides. And one passport photograph of me, and a white returned envelope. The white return envelope has the address of US. Department of State, Charleston Passport Center, 44132 Mercure Cir, PO Box 1031, Sterling, VA 20166-1031 closer to the center of the envelope. Below these numbers are tracking lines that are longer than the left side. This has 22 long strokes and 30 short ones. On the left hand upper corner, above my name is a similar tracking looking sign of 14 long upward strokes and 18 short ones; it has the date toward the center of Thur 05/04/2017. It has again an unusual address of Paulett A Hemmings, c / o: Brandon Pointe and then it has my address. Below my address there is a combination of letters and numbers - 13 letters and 10 numbers. Then on another line is Departure date, Attn: App. #. My address does not have c /o Brandon Pointe on it, so I do not know where they got that address, and how that could have reached me by post.

These tracking lines does not seem to be from the post office. The question is how did this mail get in my post box at home? Is the post office allowing the federal to steal my mails as two certified mail recently have been lost in the post office and cannot be found? Is the federal government threatening, bullying, and forcing the post office workers to do this and destroying the tracking machines and my postal systems?

When I looked at the letter it says that my name has changed and it was not. My middle Initial is on my passport with the rest of my name. They have every record on me that exist, as I am a Federal DEPARTMENT OF HOMELAND SECURITY/TRANSPORTATION SECURITY ADMINISTRATION AND DEPARTMENT OF HEALTH & HUMAN SERVICES and State, and City government worker. This is a renewal, and they have every original on me they needed to have or could ask for, as I have given to them. The Department of Records & Archive and others have all my generations information and mine as I have given them to many of the different bogus records agencies. ADDITIONALLY, I AM THE PHD GOG. On another note, the area they give to put the information down is so stingy, like them, as they are cold, mean, selfish, gravelitious, craven, degenerated, rotten, disheveled, dissolved dead devendum nothings.

I did **not** get any evidence of U.S. citizen returned to me in the envelope. My application I sent in was not returned to me. I sent in a letter I sent to the Department of State in January 2017 that I AM who I AM, and it was not returned, and I want everything from them and my fee I paid, and I charge the Department of State 60 Trillion dollars interest paid to me right now.

The Date of May 4, 2017 was backdated and that is more than illegal. It is Treasonominous nominous 16th Level. I have written many Articles and Decrys to the Department of State and they ignored my charges and sentences on them since January 2017. I sent the letters Original, to the New York State Governor Office, the many TVs, radio, newspapers, and Consulate General of Jamaica New York, and the Department of State got them.

At no time can the Department of State return my passport to me in regular mail with the face open and all my particulars esposed, so I am vulnerable to their terrorists and thieves. I DID NOT GET MY PASSPORT RETURN TO ME, AND I DID NOT RECEIVE THIS UNTRACKABLE MAIL. I did not get it. I did not get it. I did not get it. I did not get it.

I have to be using one hand to type as many gazillions of Federals on my back, in my home and outside using magnamous power and strength and preventing me from doing my work. All those who are Wanga gut; licky, licky; nammy, nammy will soon eat federal shit.

Look to see if the Department of State changed the envelope machine that they print the label and the stamp from, as they will change it and threaten the stamp manufacturer or supplier in order to get their ways, and they will do worse things to the manufacturer or the supplier.

I paid the Department of State to deliver my passport with trackable and certifiable express mail. I sent my passport to them in trackable priority mail and certified. It did not happen, only wicked and retribution and blasphemy happen to the Department of State, 900 Thrilliant times, and they are emptied out, exposed, and caught, and feeling the stings, burning, tearing, grinding out, and devendum death in HELL.

I have no security or privacy as I have to report and attach my private addresses so the illegal Federal government is once again threatening my life and trying to use various methods to kill me and I PPRESS CHARGES AGAINST THE U.S.A. FEDERAL GOVERNMENT. I PRESS CHARGES AGAINST THE DEPARTMENT OF STATE.

I want my Renewed Passport with everything on it as it is to be with my Titles and my full name to **PUSSY BUMBO RASS CLOTH FUCKING NOW** (no one use my protection words).

Shame and disgrace on the Department of State and Rex Tillerson for what you are doing to me. Shame and disgrace. Shame and disgrace. Shame and disgrace. Shame and disgrace.

.....

I heard that it is Barak Obama who setup many things to affect me before he won the election and continued to destroy me on my job after the election. Additionally, I heard that he was arrested in DC when they found out what he was doing and the police let him out as he is the President. If this is so, this entire Earth escept my family and generations, has failed me and the others who have been persecuted and killed times and times again.

I COMRANDARAMEAMOS MEMOS TO THE 16TH LEVEL THE PRIVATE BARRISTERS TO WORK TOGETHER IN TEAMS IN PROSECUTING AND CONVICTING THE FEDERAL GOVERNMENTS, INCLUDING THE DEPARTMENT OF HOMELAND SECURITY, DEPARTMENT OF HEALTH & HUMAN SERVICES, DEPARTMENT OF STATE, BARAK OBAMA, THE NEWS MEDIA, DONALD TRUMP, AND THEIR ADMINISTRATIONS, IN NO MORE THAN TWO WEEKS FROM THE DATE OF THIS LETTER AS THEY ARE ALREADY CHARGED, PROSECUTED, SENTENCED SEVERAL TIMES BY ME. I TURNED THEM OUT OF MY EARTH, MY CREATIONS, AND OUT OF ALL EXISTENCE UNDER MY AUTHORITY. THEY ARE WAITING ON YOU TO FIND THEM GUILTY, AND CHARGE AND SENTENCED THEM AS WELL.

.....
The federal governments are the same as State, City, County, Municipals as they take them over and bribed them with my money, to convict, kill, torture, and terror my children and generations. They kill my children like those hunting wild birds. Insects that's what they are. Animals, that's what they are. Species, that's what they are.

I am experiencing high beams of power that stings, burns, expansion of my head with the instruments, pressure on my body, head, shoulders and in my chest from these high beams of many different types of instruments from the Federal government and some of them are Scanners with high power to overpower, vectors with high beams and power to overpower, zoners with high beams to overpower, microscopic lenses with high beams to overpower, and many other instruments and other things that it is too much to investigate.

When I asked them why they are doing these things to me, and what they hoping to get from their activities, they said they are destroying the Department of State and they are doing these things to me so that I have more things to write that the State Department is doing. I asked them who are they. They said they are the Department of Homeland Security, TSA, and some of the Department of State workers. Then I said so you are you are destroying yourselves? They said no, they are destroying the Department of State and they are not the same. Then I saw some state workers going from the state to the area where the Department of Homeland Security is using the high beams to harm me.

I asked them further if they are really not the same and they thought about it and they said no. They said they look different from those who are the Department of State workers. These two groups and the few others who assist them from other areas like the animals they at each other's throats and they cannot get along. They fight each other and tear each other down, and they get together to destroy this Earth and my Caicobans children. Later from their conversations, I found out that the DHS is the Interlope and the Department of State main workers are the Pentilope. They are from the same Bambury environment only that the Interlope is the older generations and the Pentilope are the younger generations. Many of the Pentilopes are in the Television, Cable, Newspapers, Internets, and Radios. I had a very long conversation with them in finding out what Homeland Security and the State Department does, their connections, among other things.

There are Major Disagreements, Confusion, Conflict with: The Department of Homeland Security (DHS) and many agencies: Many agencies under Department of Homeland Security do not want their leadership, as it is not connected to their agency. Some of these are Immigration, Customs, Transportation Security Department (TSA), Department of State and others.

The Department of State said it gets and takes guidance and instructions from the Department of Homeland Security. However, they are not under DHS.

Passport Offices said they are not under the Department of State. However, the Department of State took them and has been leeding them.

I had other important things I had to do and, I had to drop them and to work on this all night on an empty stomach, as I had no time to eat a meal. I have not been eating proper meals for months and on a daily basis, as eating right and proper is not a luxury I can afford.

Who dare you Department of State to question my Titles? You are a boohoo of an imp. Take your stinky self and dose yourself in a gallon of the Strongest Vinegar. Strongest Vinegar. Strongest Vinegar. Strongest Vinegaaaaaaaaaar.

Stinking Department of State, where were you when I was Chreating ABC's; where were you when I was Chreating 1, 2, 3's, where were you when I was Chreating: Amigos, Merci, Bom dia, and more? Where were you when I was Chreating the various Degrees, Colleges, Schools, and my Chreations? If you are smelling yourself stinky, do not take your mouth which is close to your nose, or your thoughts, or your thinking, to me or anywhere in my Earths, or my Chreations, or the Esistences under my Authority.

The Federal Bureau of Investigations (FBI) came terrorizing and threatening me a few days now. So, this is a covoyance attack on me. The FBI must have told the state department to send me the letter, as the FBI must have been investigating me and telling them how to clean up.

While I was working on this document, I went to the toilet. While I was using the toilet, I couldn't shit. Caicobans shit and insect pass feces. There were many Dept. of State, Homeland Security, and many Federal leaders and other federals and state, and many devels standing right behind me, some right in front of me, and many on the outside. They used High beam scanners, vectors, zoners and many other instruments zoning in my bowels and my batty. I couldn't use the toilet, and I couldn't get up. I sat there for a long time straining and my bowels and batty was stifled. Then they bounded up my toilet, and it couldn't flush. So, my shit, piss, my excrement, I put on you, on you, on you, on you.

I CHARGE THE DEPARTMENT OF STATE 5 Trillion dollars for my time to prepare this document. I charge the Department of State 4 Trillion for having to read this Sorcery documents and analyzing it. I charge the Department of State 80 Trillion for THE TERROR I am EXPERIENSING SINCE I GOT THIS MAIL. I MUST GET ALL MY MONEY NOW. I MUST GET ALL MY MONEY NOW. I MUST GET ALL MY MONEY NOW. I MUST GET ALL MY MONEY NOW.

All of you will only get disasters in your lives continually and never get anything, (not a thing, not a morsel, not one iota) in the future or time to come in no level, elevation, Chreation, Earth, place, existence, or non-existence. You are all decolored, desolate, and will never get out of despair. You all will never, never, never, never stop being alive in death. You are all empty, disconsorted, discombobulated, disgumptious, dispecable, and all decorated less.

You are all determined to be in devendum, and are all definanced, disfunctioned, destroyedamimos, deviantamimos, desgustamimos, destructedamimos, disjunctamimos, discombobulatedamimos, disqualificationamimos, finishedamimos and sent to the crust of HELL.

I Charge you Department of State, 2 Trillion dollars for my travel that I had to cancel in June because you had my passport and refused to return it to me. You have kept my passport and money for almost five months, you have caused me to miss important things that I must do.

.....
Stockpile of Money in Storage

There are stocks and piles of paper moneys stored up in the District of Columbia and other banking areas, and in the UK which is my moneys, and moneys that are old, as the federal government does not issue the allowances to my children, as they are to be done by the State and the local agencies. Some of these monies are what the federal governments stole from the banks when they were independent.

LIFE

The federal government they do not care about Life, as they are man. Man cannot be a woman and has no business to act or play the role of a woman. No commerce and no living can exist without woman producing things and children. A woman is Life. The woman's body represent production of fruits, food, meat water, air, medicine, milk, rice, as we are the reproductive conduit for life and not man.

Many of my children are starving, and the federals, republic, and monarchys have them living in germs, dust, and thatched one rooms with unclean water, and germs and disease all around them, when money is to be made and not controlled. Money is to be overflowing, and you have them overflowing in the store houses, and we cannot get them to use. Moneys are not yours, and the ones it belongs to cannot use their money, as you do not want us to be happy, and to have what we are to have. You have taken away my jobs and destroyed my life and left me destitute to become a vagabond on the street like my other ones. I want my children. I want my properties. I want my records. I want my belongings. **I want them now.**

Decree

The Decree Barak Obama and the Federal government received says that: you cannot kill me anymore and you cannot take my Chreations away from me anymore. Barak Obama and the others opened me up on their own, and that is not how it is to be done. Mo man is to put his hand on me. No man is to take away from me. You continue to take away from me. When I can get an hour or a half of hour sleep per day, you go in my mind and body and take me out, so that you can have my power, and I cannot use my power and my authority, as you are all using them. No one is to open me up; that is man thinking and man unruly action.

Man

Man is not part of any Life or living. Man is not in any Chreation. Man is not in esistence. The original esistence was created by woman for woman. They have animals to be eaten, birds to eat, fish to eat, plants, trees, bushes, many different food groups, the elements, the oceans and seas and various water ways, and the build-up of the ground and air. Man is not what I created in the form of a penis. I use the word man because it is what the devel changed all identification of the Cocky/penis ones to be.

Therefore, man is my make-up of my toy to fit my pussy, a Dill do. A Dill is another name for a woman's pussy. I first created a cocky stage by stage to fit my pussy; I built the figure up like a car in stages on my leisure time. Man's purpose was only to fuck, as man is a build-up of the Penis. Caicobans and Cobans fuck and have Pussy and Cocky. Insects have sex and have vagina and penis. Man was my play mate for a long time after it is built up, and I have no problem with my man that I Chreated. Those who ask others to make man for their Chreaton, who are not me, some of the man are not built right, and that caused many problems. The reason some of them are not built right is because many of the creations are not to have man in them. The materials used to build some man is not authentic to the creation and to those already in the creation. Some makers of man have to use the best materials they can find, and many times the materials are not the safest to use. Man should be built as part of the creation and not an addition. When man is added to a creation they are not fully connected and information has to be fed into their brain instead of being automatic. I Chreated Ban and Vans and Tans. They are fitted in my Chreations and they are flesh of my flesh, blood of my blood, breath of my breath, and soul of my soul.

The Original Devel Man

The problem with the original devel is that he was an addition to the creation. He was made from the best material that could be found, and it was not a safe material. Man had to go to school to develop his brain. Man was not designed as part of that creation. Man is not to be in that creation. Man was not approved by the highest authority in that area to be in that creation. Man is different from woman. Man do not understand that the role of a woman is different from a man's role.

The Leeder of that creation where the devel came from, did not have any prior knowledge of man and how man can and will fit in the creation. (creation is not the right word to use as they do not have creation) The leeder, a Woman, did not know how to talk with man for him to understand that her role was different from his, because she was not trained how to do this and because man was not to be in her creation. When the leeder explained to man in the best way that she could explain, that her role is different from a man, he could not understand because she could not explain the different roles clearly and convincingly. The woman leeder is not and never to explain her role to a man. No man is to be in her creation to ask her questions. No woman in her creation will ask her questions as man did, as they were made to be in that creation and they have automatic knowledge of the creation that man did not have. The creation was open with not adequate security against man's knowledge of the leeder's role. Therefore, man got to see many things that he was not supposed to see, and that created many security risks for the creation and the leeder, as it turned out to be. A woman is soft, gentle, and cuddly. A woman is round and not square. This earth is round. When a woman is pregnant her belly is round. A woman's breasts are round. This earth must be treated in a soft, cuddly, gentle, round, warm manner. This Earth cannot be treated with harshness, or hardness, or squareness, or linearness that is in a man. No man is gentle, that is for a woman. There is not gentleman as that is a woman man. A man can be lighter, and slower; not gentler.

Because man was not convinced the leeder was telling him the truth he continued school and began to expand in science, biology, chemistry, physics, and other scientific methods. This was bad for man as those subjects were too advance for his brain and he was not an original inside of the creation; he was an addition. That creation uses a lot of chemistry, physics and other sciences in the making of the bambb/bombs, and the burys. Man wants to be a woman leeder, so

man examined the brain a lot. Man also got many hands-on experiences when he abducted the lower levels and then quarantined them in the lower leeders protected areas, he is not to be in. Man became the maker of the wickedness as he advanced in chemical wickedness that poisoned him at times, destroyed him at times, but he found many ways to recreate himself and he continues to destroy and recreate himself. He has taught these methods to others who have taken over power from him and have advanced in wickednesses and taking over and destroyed many areas. The Earth is not the only place or area the devels are in destroying and killing. Since then, man has prevented the development of all man species and no one wants man anymore.

This document was six pages, now it is ten. I have attachments of the letters, passport photograph and documents I received from the Department of State.
