

St. Mary's
Food Bank®

FEEDING
AMERICA

St. Mary's Food Bank and Deer Valley High School are proud to be working together to make Deer Valley High School a community distribution point for non-perishable food boxes for families and individuals in our area.

How the program works:

- Thursday, September 2, 2021 will be our first distribution event.
- Regular distribution will be the first and third Thursdays of the month during the school year. Hours are 8:00am to 8:30am and 3:00pm-4:00pm.
- There will be no distribution in June, July and days of school vacations or holidays.
- Anyone over the age of 18 can receive a food box. If a parent or adult in the household is unable to pick up a box, a school counselor or school representative can arrange for student(s) to receive a box.
- What is in the box? Non-perishable items such as pastas, canned fruits, vegetables, canned meats, peanut butter, etc.
- Families/Individuals are able to receive one food box per month.
- Anyone in our area is eligible if they need one. They do not need to live within the school boundaries or be associated with the school in any way.

FEEDING
AMERICA

- Recipients will need to show a picture ID and bring any piece of mail with their current address. This is simply for tracking purposes only, since this program is funded in part by the USDA.
- Is it a drive thru/contactless pick up? Yes, it is! Recipients will be able to drive to the Administration building parking lot, check in with a volunteer and be brought a box.
- How can I help? We are in need of student volunteers and other campus volunteers to help with the drive thru distribution.
- Questions? Please contact Kerry Mawk, Stefanie Dryer or Denise Darre in Counseling for more information.

Why are we doing this?

Nearly 30% of our neighbors are considered working poor, living on wages that barely cover housing and other basic necessities.

With little money to spare for food, many in our community — friends, family, coworkers — often go without food for meals at a time and have no other choice than to purchase the cheapest, sometimes expired, groceries to feed themselves and their families. Poverty is a very real problem for Arizonans, but together we can find a way to ease the burden on our hungry neighbors.
