

# KEN COBB AS GEN. DOUGLAS MacARTHUR

Ken Cobb has researched and studied General MacArthur for several years. He has a depth of knowledge and data that few possess, right down to his impeccably reproduced khaki uniform.

Ken covers a variety of topics on General MacArthur, chiefly WWII. MacArthur spent almost 50 years in the military and 34 years as a General. While Ken cannot cover MacArthur's career in one venue, he will adjust his presentation to the subject requested within the time frame allotted.
