

Quail Ridge Tennis and Swim Club Annual Membership Meeting

May 9th 2016 6:30 PM

- Hamburgers and fixings from Cookout were provided for all to enjoy. Members brought sides and desserts to share
- Martin Bryant, President opened the meeting
- Members voted on a proposed new membership level, with all votes for and none opposed. The new membership will be offered to home renters in the community. The rental membership will require a \$300 membership fee and quarterly dues, currently \$75 per quarter. The membership can be held for up to 3 years. After 3 years, the membership fee can be applied to the stock fee to purchase a new full membership. In the event where a full membership will not be purchased by the rental member, the \$300 membership fee is non-refundable.
- Members attending were reminded of the party rules and time limits and asked to help keep an eye on things this summer as we have had some mischievousness already.
- The meeting ended at 7:45
