

# COIN OF THE ABRAHAM ACCORD

## THE DEVIL IS IN THE DETAILS

*Sword to Jupiter Leading the Way*

*'For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.'* -1 Thessalonians 5:3

The purpose of this study is to consider and examine the Abraham Accord coin that transforms from a Sword to Jupiter minted by the Temple Education Center. What is interesting is that on the front page of their website, they use an apparent Christian Bible as a graphic. And they even quote a Christian Evangelical Pastor on their testimonial regarding the significance of the Abraham Accord. Obviously, they are marketing the coins to such a body that does support Israel. Out of all the planets in the Solar System, Jupiter was used to lead the way to 'Peace' in this current 'transformation' of the Middle East and in turn, the whole world. Many are erroneously believing it is Saturn, but Jupiter also has rings. Regardless, why is the actual symbol of world peace, the Dove lagging behind?

To the Luciferians, symbols and imagery is a language of communication, to conceal and reveal. For example, it was no coincidence that the signing ceremony occurred just days from the Jewish New Year of Yom Teruah. And in coded numerology, was it no coincidence that on the very day of the Feast of Trumpets, on the eve of Rosh HaShanah, Gold was trading at \$1948 USD an ounce? No doubt, the Abraham Accord coin minted commemorates the normalization of relations between Israel and the first 2 Arab Gulf States of the United Arab Emirates and Bahrain with such a motif. It is very telling to say the least. The Abraham Accord is believed by many to be what will lead to the Biblical Daniel 9:27 'confirming with the Many'. The signing ceremony occurred at the South Side Lawn of the White House.

The signatories were the United States President Donald Trump, the United Arab Emirates Foreign Minister, Abdullah bin Zayed al-Nahyan, and the Foreign Minister of the Kingdom of Bahrain Khalid bin, Ahmed Al Khalifa. The Temple Education Center has publicly announced and has published the sale of the Temple Coin at a cost of \$150 USD currently. The detail of the Abraham Accord coin is as follows. The size is 60mm with a weight of 50 grams made out of a composite of Zinc Peuta. Realize that there are actually 3 coins that correspond to the 3 sets of the signed Accord. There is the Abraham Accord itself, which is the overarching Accord. Then there are the 2-individual nation-to-nation Accords between Israeli and the United Arab Emirate and then with Israel and Bahrain. The 2 nation-to-nation gold and silver medals were designed by Ruben Nutels.

## **A Commemoration**

The 2 medals commemorating the individual normalization agreements between Israel and the UAE and Bahrain have below the primary design the inscriptions 1oz. Fine Gold .9999 or 1oz. Fine Silver .999 in English and Hebrew. The coins or medals are said to be designed by the master numismatist artist, Aharon Shevo. Here is a direct quote off their webpage of how on September 15th, 2020, President Donald J. Trump hosted the signing of the Abraham Accord. The Abraham Accord was a groundbreaking Middle East peace treaty effectively normalizing relations between Israel, the United Arab Emirates and Bahrain. In signing the accord, the United Arab Emirates and Bahrain joined Egypt and Jordan as the only Arab nations to make peace with Israel. This precedent has now opened the way for fellow Gulf nations to join as 'Many' are signaling their support, and Saudi Arabia is not opposing it.

The Temple Education Center is considering this event as 'exciting times and the fulfilment of the biblical prophecy'. They further declare that 1/3 or .33 of the funds will go to help foster stronger economic ties and partnerships between the United Arab Emirates, Bahrain, and the State of Israel. Where does one suspect the other 2/3 will go to though? It will be used to build the 3<sup>rd</sup> Temple. It was noted that the coins are still in production and that it is going to take about 4 weeks to delivery. The front image of the Abraham Accord coin has the following details. The coin is adorned with the Israeli and UAE flags They are positioned over an intricate silhouette of Jerusalem and Dubai with the iconic Burg Khalifa tower. It is a masked elongated 'Tower of Babel'. The words 'Abraham Accord' is inscribed in Arabic, Hebrew, and English just below the skyline.

Abraham is ascribed to be the father of all of the 3 major world religions of monotheism, Judaism, Christianity, and Islam. This Bible character is pronounced 'Abraham' in the Christian faith, 'Ibrahim' in the Muslim faith, and 'Avraham' in the Jewish faith. Then there is the Eagle from the Seal of the United States. The back side of the Abraham Accord coin is the most inspiring, artistic, and interesting. The back of the coin features a sword that gradually morphs into symbols of peace, prosperity, agricultural and technological advancement. It is said to be inspired by the words of the prophet Isaiah, 'And they shall beat their swords into ploughshares.' There is a quote from the Koran that addresses Peace, 'And if one inclines towards peace, it inclines towards you.'

However, note that in such a delineation of the 3 main 'Faiths' of the 'Children of Abraham', a Christian verse is omitted. Most might rightly argue that the Accord is between the Jews and the Arabs, notwithstanding there are many Jews and Arabs that are also Christian. However, those of the true Christian Faith would be glad to not have the Gospels fused into this Ecumenical falsehood engraved in such an idol that this Abraham Accord has become. Then there is the actual signature of the U.S President, Donald John Trump who brokered the deal. Given the geo-political backlog of the Palestinians always 'never missing an opportunity to miss an opportunity', Historians and Political Scientists will ascribe this maneuver as 'genius' despite one's political persuasion. What was central to the theme in the speeches given by the 3 representatives, was how they all spoke of handing over a 'Peace' for the younger generation.

## **The Circle of Peace**

The notion was conveyed that 'Peace' is far more conducive to attain than a prolonged siege of hostility rooted in mutual hatred. The other aspects and/or benefits of such a 'Peace' was to foster economic prosperity. What they have in mind is the pretext of 'fighting the Corona Virus' and that is how the inspiration of the Sword to Jupiter came about. Thus, the disposition to fight a much greater common 'enemy' as the COVID-19 hoax is pressing, so much so that they have to set aside ancient animosity that is deeply rooted in vital difference of religious interpretation. One question everyone is asking, and even the U.S President, will Saudi Arabia join in this 'Circle of Peace'? The Saudis want, at this time to take a backseat and allow the smaller Gulf States to take the brunt of praise and perception. They are taking the heat of negative sentiment from the Palestinians in particular but then from other Arabs even within their own borders.

Then there is Iran and the Turks that condemned this Accord and are actively seeking how they can sabotage it. However, there has been a break-neck speed affirmation of how other Arab nations as well as those that are not like Pakistan want to normalize relations with Israel. It might well be the case that the Saudis eventually join this Abraham Accord to shore 'up their legitimate claim over the Holy Sites not only in Arabia but also in Jerusalem. It will also checkmate the Shi'ite branch of Islam that claims the rightful succession of their prophet Mohammed, etc. This contention is corroborated in the Bible in how during the Ezekiel 38 War when Russia, Turkey, Iran, and the others invade Israel, it will be Saudi Arabia and the lesser Arab Gulf States that will protest. These are the references to Sheba and Dedan. They are ancient names for Saudi Arabia and the lesser Bedouins.

During the noted Gog-Magog War, it will be Sheba and Dedan that will protest but apparently do nothing else. Sheba, Dedan, the merchants of Tarshish, and all their young lions will say to you, 'Have you come to take plunder? Have you gathered your army to take booty, to carry away silver and gold, to take away livestock and goods, to take great plunder? It might very well be the case that they cannot do anything militarily as these nations primary investment has not been in the military. And with the Peace obtained by the coming AntiChrist that will have secured 'Peace', there will be no apparent need to. And this is where many are starting to take seriously the notion that perhaps Jered Kushner is or will be the coming AntiChrist.

Some go as far so to note now he lives at 666 5th avenue and next to the VeriChip corporate office. As far as numbers go, the 6 letters of his last name, קושניר add up to 666 in standard Hebrew gematria. As to Jered Kushner, there are 2 things that are for sure and proven thus far. He is loved and adored by the Ultra Conservatives of Israel and the world. Then, he is able to negotiate with the Arab Muslims like no others have. As to the configuration of the Abraham Accord coin, it does appear to be the typical Luciferian predictive programming displayed in plain sight. The Islamic sword morphs into Jupiter depicted with rings. It is followed by the Dove of Peace that heralds the Days of Noah symbology that has come to embody the cause of world peace. Why would such an icon be made to be confused with Saturn? It is because Saturn represents the 'Cube', the Kaaba, Lucifer, etc.

## **New World Order**

It might very well be a double-entendre. To the Luciferians who presently control the world, they see the coming New World Order as being led by their 'Messiah' or Mahdi. Such believe that Lucifer was the rightful King of the Earth at which time, known as the Golden Age, Saturn was the 'Sun'. Evidently the Solar System was rather configured differently than it is now. However, even though it is Jupiter that is being portrayed with its giant Red Spot, it will be attributed to the false AntiChrist Messiah that Israel will accept after the Rapture event. Jupiter the 'Planet of the Messiah', but 'King of the Gods' to the occult. Then what is also rather interesting is that the apex of the morphing is depicted by 10 Stars. Could these 10 Stars be alluding to the coming 10-Toe confederation of Kings what will rule the world in the Last Days during the Luciferian New World Order?

This is depicted in the dream that Nebuchadnezzar had and that the prophet Daniel was shown by YHVH and then interpreted. These 10 Nations and Kings will be what the New World Order will be comprised of. It is out of them that the 'Little Horn' or the AntiChrist will arise from. What many have also noted in analyzing this Abraham Accord coin is that the 'transformation' of the Sword to Jupiter involves the gadgetry that will facilitate the tracking and surveillance of the new Orwellian Brave New World. What is disturbing is that one also finds a syringe that alludes to the coming mandatory vaccines that the plandemic of the COVID-19 has been abused to force this 'Reset' or re-engineering. There is also a binary code of 1's and 0's that one tilts the coin to its axis, the 'pyramid' can be perhaps construed. How so?

There are 13 0's and that is the number of steps in the Masonic truncated pyramid that then has the All-Seeing Eye of Lucifer at the top hovering. Thus, the flow of the Sword morphing would be as if the transition is led up before the 'pyramid' and then ascends up to the heavens to Jupiter. Or is it that all along it has been 'Jupiter' whose Sword it was from the start? Many End Time students of prophecy are also tying this Abraham Accord to astronomical counts and alignments. How so? In the first place the actual public and official announcement of the Abraham Accord occurred at the Oval Office on August 13, 2020. It is then noted that if one uses one of the numerical factors given in Daniel of 1335, and one adds that to that date, the end date is April 8, 2024. This will be Nisan 1, the Religious Jewish New Year.

This is the eve of the Total solar eclipse that will mark an 'X' on the USA. The prior one occurred on August 23, 2017, just 33 days prior to the Great Sign of Revelation 12 that appeared astronomically. It is speculated that such a Sign has heralded the coming Rapture event and closure of the Church Age. It is believed by this author that the Sign involves a day count that is incorporated in its very 'DNA' of 1260 days. That day corresponds to March 6, 2021. To reiterate, the Abraham Accord coin is made by Temple Coins out of Jerusalem. These are the same people and organization that has been sanctioned by the Nascent Sanhedrin to mint the official Temple Coins that will be used or can be used for Temple rituals, tithes, and offerings.

This is of course when the new 3rd Temple is to be built and as one contents will be built after the Rapture. It is speculated that the backlash from this Accord will foment a regional war with the Inner-Ring of Muslim Nations primarily made up of the paramilitary factions that will invade or attack Israel simultaneously. This will cause Israel to 'nuke' Damascus and fulfill the prophecy of Isaiah 17. It will be at this time when they say, 'Peace and Security' that instead Sudden Destruction will come upon them as a 'woman in labor', and they will not escape.

This is to allude then that the opposite is and will be true; that there will be those that will escape, the Bride of Christ. This will be the Rapture event that will then trigger the spiritual vacuum in the world and cause major chaos. It will then be incumbent upon the AntiChrist that will be 'revealed' thereafter and be ushered-in to bring in a much needed and demanded 'Peace and Security'. This coming 'Jupiter' King of the world will make not only 'Peace' between Israel and the Inner-Ring of Muslim nations but that of the entire world as they enter into the New World Order.

The Gentiles will be under the Noahide Law, whereby if anyone ascribes divinity to Jesus as being 'GOD' incarnate, it will be subject to blasphemy and punishable by decapitation. The 'making stronger' or to 'confirm' the Covenant means to 'sweeten the deal' and one contents that the 3rd Temple will be just that. The 3<sup>rd</sup> Temple will be heralded as the 'Temple for all Nations' to pray from and maintain the 'Peace', etc. It will be the rallying cry that will unite all the world, with their religions, economy, governments, and worship.
