

## Leadership/Arizona Mission Training September 2024

Let us begin another great year for our Unit, District, Department and National Organization. We look forward to hearing from our members who have attended Officer Training and National Convention. This committee encourages you to plan and/or attend an Arizona Mission Training this year even if you have attended one in the past. There is so much to learn that we always come away with new information to share. **Empower Your Members!**

### **To set up an Arizona Mission Training:**

- Contact Chairman (we will work together to set a date).
- You will need a minimum of 10 members.
- The charge is \$10 per member.
- The list of members and money sent to department 10 days prior to training.
- Send list of participants to chairman (with pictures, if possible).

If you call, please text initially so that I may return your call. Thank you!

Please become familiar with the American Legion Auxiliary website [alaforveterans.org](http://alaforveterans.org) as well as our department website [aladeptaz.org](http://aladeptaz.org). All the information that you ever wanted to know about our organization is there. Let us try to take an online course this year. Then share the information at one of your meetings. A good start for Leadership!

I humbly ask that you keep track of all of your Leadership activities so that you can include them on the end of the year report form. That would be very much appreciated. Have a wonderful year!
