

ASTRONOMICAL END OF SUMMER HARVEST

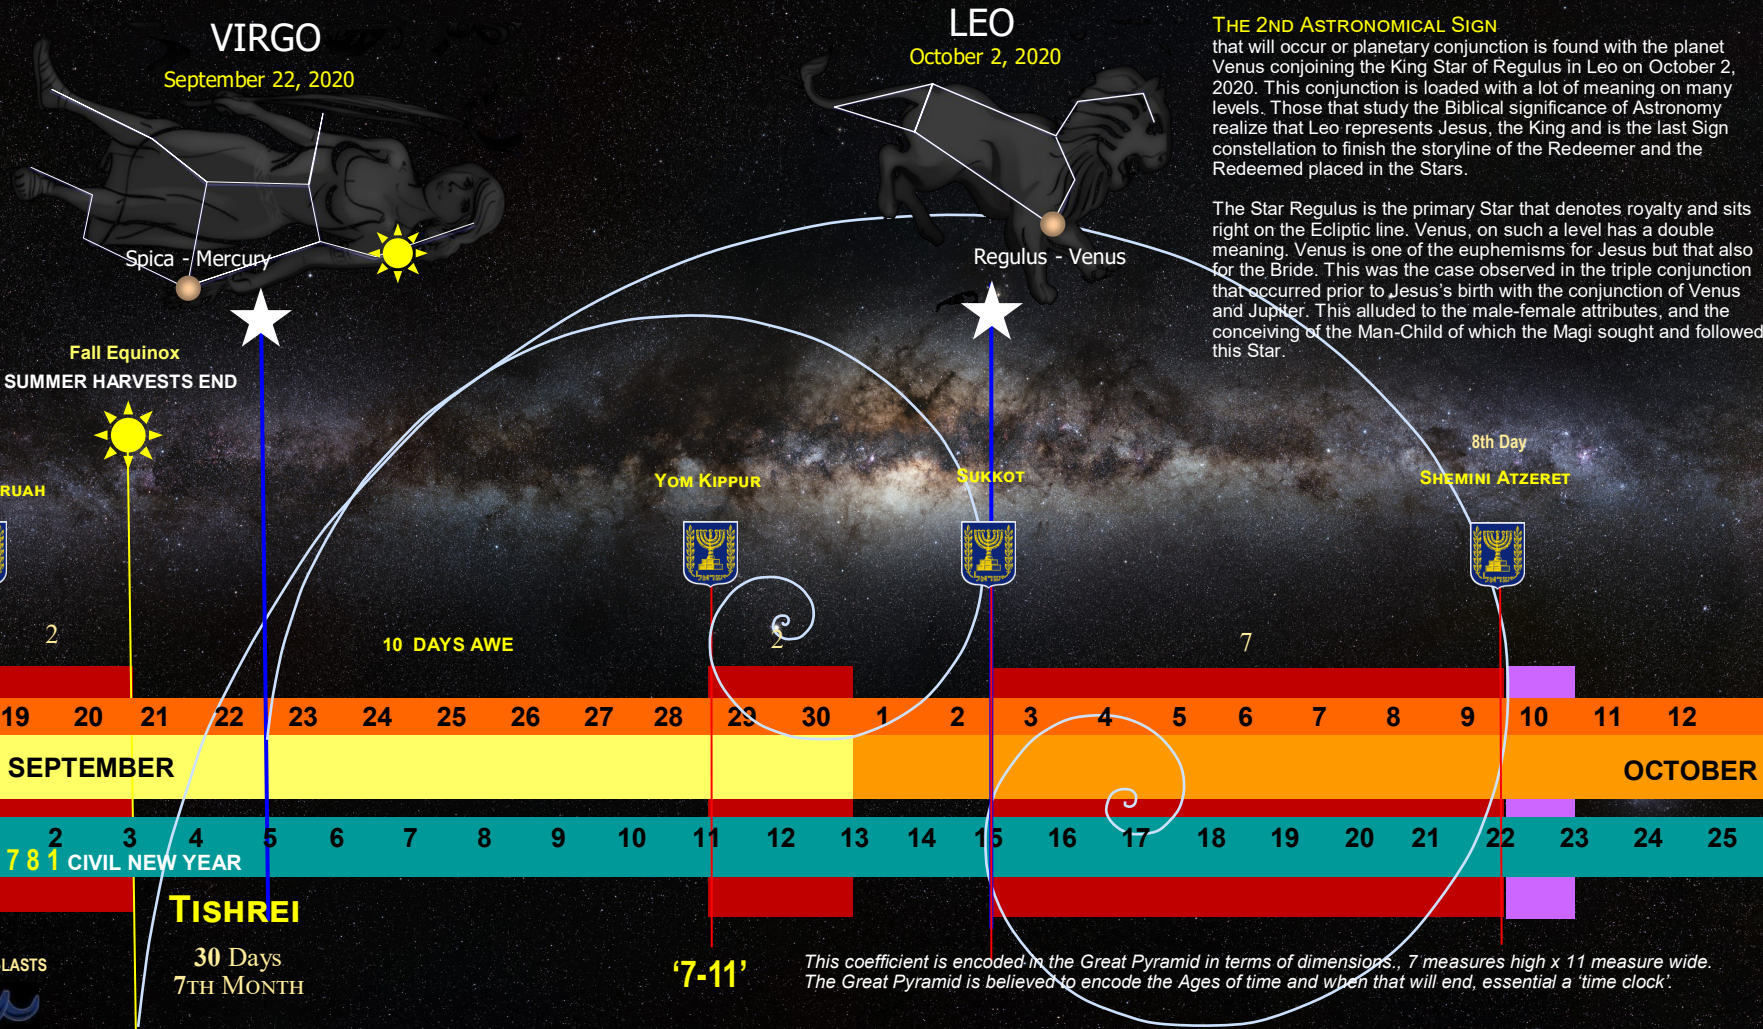

The purpose of this illustration is to depict the Fall Feasts of YHWH for 2020. It will show the possible Star or astronomical alignments that could be Signs of a pending Rapture or message for the Fall Feasts of YHWH to occur between September 18 – October 2, 2020? There will be 2 primary Signs or planetary conjunctions that are or might be very significant as to their meaning and possible confirmation of an end of Summer Wheat Harvest Rapture timing. Realize that the plans of Christ and the AntiChrist are as a 'dichotomy'. Then, Mars is currently in the bands of the Fish, Pisces. This is an ominous Sign as it denotes warfare being wages against the Church, the Bride of Christ presently. And is this not the case that as the years, months, weeks and days, pass, the persecution of the Last Day's Saints is intensifying and will not let up until the Rapture? Again, if such an array of Astronomical Signs and planetary alignments are to be said if it will parallel a prophetic convergence and finally of an eventual rendezvous of Jesus, the King, coming for His Bride, that would be wonderful. If not, then one can take comfort that such Astronomical Signs and messages are to encourage the Bride of Christ.

DURATION OF THE FALL FEASTS OF YHWH 2020

THE 1ST ASTRONOMICAL SIGN

is a conjunction occurs at the conclusion of Yom Teruah or the Feast of Trumpets, September 20, as the planet Mercury, the Messenger conjoins with the Star of Spica in Virgo. This conjunction on the Fall Equinox will take place in the area where there is a myriad of galaxies surrounding Spica, as it were Virgo carrying a Basket of Wheat. Thus, a possible fulfillment is that at this time, the Wheat Harvest is to be gathered in. Many believe that the Summer Wheat Harvest will conclude astronomically thus on September 20, 2020 as that is the demarcation of the Fall Equinox, etc.

So, does this mean that the Rapture is to take place at such a time? That will remain to be seen but the rehearsal is striking as the Holy Spirit, a type of the Messenger and also of Christ is to come and 'harvest' the Church Age Bride of Christ that Virgo represents. She has been in the 'Wheat Fields' of the world during this Church Age as a type of Ruth gleaming in the field of Boaz, her Kinsman Redeemer and whom he will marry.

THE 2ND ASTRONOMICAL SIGN

that will occur or planetary conjunction is found with the planet Venus conjoining the King Star of Regulus in Leo on October 2, 2020. This conjunction is loaded with a lot of meaning on many levels. Those that study the Biblical significance of Astronomy realize that Leo represents Jesus, the King and is the last Sign constellation to finish the storyline of the Redeemer and the Redeemed placed in the Stars.

The Star Regulus is the primary Star that denotes royalty and sits right on the Ecliptic line. Venus, on such a level has a double meaning. Venus is one of the euphemisms for Jesus but that also for the Bride. This was the case observed in the triple conjunction that occurred prior to Jesus's birth with the conjunction of Venus and Jupiter. This alluded to the male-female attributes, and the conceiving of the Man-Child of which the Magi sought and followed this Star.

YOM TERUAH

(TRUMPETS) Head of the Year is the Jewish civil New Year. It is the first of the High Holidays or Yamim Noraim ("Days of Awe"), celebrated ten days before Yom Kippur. Rosh HaShanah is observed on the first two days of Tishrei, the 7th month of the Hebrew calendar. It is described in the Torah as יום התרועה day of "Screaming" or Shouting of the Shofar. -Leviticus 23:23-24

YOM KIPPUR

Also known as Day of Atonement, is the holiest day of the year for Jews. Its central themes are atonement and repentance. It is observed with a 25-hour period of fasting and intensive prayer, often spending most of the day in Synagogue services. Yom Kippur completes the annual period known in Judaism as the High Holy Days or sometimes referred to as the 'Days of Awe'.

SUKKOT

(TABERNACLES) Feast of Booths, Feast of Tabernacles is a Biblical holiday celebrated on the 15th day of the month of Tishrei. It is one of the three Biblically mandated Shalosh Regalim on which Jews and Believers make pilgrimages to pre-determined sites to worship and make fellowship around the Temple in Jerusalem. Temporary booths are constructed and time is spent in them to commemorate the booths the Israelites lived in during the Exodus

7TH MONTH

'7-11'

This coefficient is encoded in the Great Pyramid in terms of dimensions., 7 measures high x 11 measure wide. The Great Pyramid is believed to encode the Ages of time and when that will end, essential a 'time clock'.

Interestingly, the 2 conjunctions are in approximate Phi ratio to Yom Kippur. This date falls on the 7th month and 11th day or a 7-11 code. What is also noted is that the Sun is in Virgo during both bookend Astronomical Signs that span the exact duration of the Fall Feasts of YHWH. There are actually other astronomical conjunctions that are noteworthy. There is the convergence of Jupiter with Saturn and along with Pluto that will then compose the Grand Conjunction on the Winter Solstice of December 21, 2020.

This is very ominous in that after the Fall Feasts of YHWH, such a Sign is signaling what many believe to be the astronomical transferring into the New Age of Aquarius. Many believe that this is heralding the coming New World Order and has been leading up to in tandem with such a worldwide lockdown. It does appear that it has been a parallel transitional process to then not only birth the 'Man-Child as in the Rapture Bride of Christ, but the New Age and also their New Age Man, or AntiChrist.
