March 1, 2019

Dear Parents,

As March begins, we find ourselves preparing for not one, but two winter storms. As a result, some changes have been made to the 38th Annual Route 395 Tournament this weekend. Everyone will be receiving a separate email with those details, and that information will also be posted on our school website. However, tonight's games will be held as scheduled.

Additionally, teachers have been hard at work preparing work for their Blizzard Bags. These packets of school work have been approved by the Diocese to count for a missed day of school (up to five days) due to a storm. This initiative allows schools in the Diocese to maintain their school calendar and avoid adding days back in at the end of June. Should school be cancelled on Monday, students will be given their grade level Blizzard Bag (K-8) on Tuesday, and will have one (1) full week to complete the work, making the work due on Tuesday, March 12. If you have any questions, please do not hesitate to reach out to me or your child's teacher.

Before February vacation I announced that the school has recently formed a committee on Mission Effectiveness and Catholic Identity in order to evaluate our current mission statement and the many ways ASA demonstrates it. A group of teachers has met and proposed some changes to our current mission statement in an effort to make it more specific to All Saints Academy. We are now seeking a few parents who would like to help in this endeavor and provide us with feedback. We will also be asking some of our students for their input, as we look for representation from all stakeholders – parents, students, and faculty, before the revised Mission Statement goes before the Board of Trustees. Please email me directly if you are willing to help review our mission statement. Your assistance and feedback are appreciated!

Stay safe and warm this weekend – and GO KNIGHTS!

Yours in Christ,

Joan E. Matys
