EDUCATIONAL RIGHTS OF HOMELESS CHILDREN AND YOUTHS REQUIREMENTS

The LEA shall provide an educational environment that treats all students with dignity and respect. Every student experiencing homelessness shall have access to the same free and appropriate educational opportunities as students who are not homeless. This commitment to the educational rights of children, youth, and unaccompanied youth experiencing homelessness applies to all services, programs, and activities provided or made available by the LEA.

McKinney-Vento Definition of Homeless:

The term “homeless children and youth”— means individuals who lack a fixed, regular, and adequate nighttime residence [42 U.S.C. § 11434a(2)].

A student may be considered eligible for services as a “Homeless Child or Youth” under the McKinney-Vento Homeless Assistance Act if presently living in one of the following situations:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason,
- Living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations,
- Living in emergency or transitional shelters; or are abandoned in hospitals,
- Have a primary night-time residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings,
- Living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings, or
- Is a migratory child who qualifies as homeless for the purposes of this subtitle because the children are living in circumstances described above.

To remove educational barriers for children and youths experiencing homelessness, the McKinney-Vento Homeless Assistance Act mandates the following:

Immediate Enrollment: Documentation and immunization records cannot serve as a barrier to the enrollment in school [42 U.S.C. §11432(g)(3)(C)].

School Selection and Maintained Enrollment: McKinney-Vento eligible students have a right to select from the options outlined below. Students may remain enrolled in their selected schools for the duration of homelessness, and until the end of the academic year upon which they are permanently housed or enroll the child or youth in any public school that non-homeless students who live in the attendance area in which the child or youth is living are eligible to attend [42 U.S.C. §§11432(g)(3)(A); (g)(3)(B); (g)(3)(I)(i)].

School of Origin	School of Residency
<ul style="list-style-type: none">• The school the student attended when permanently housed• The school in which the student was last enrolled	The school in the attendance area in which the student currently resides

Transportation Services: McKinney-Vento eligible students attending their School of Origin have a right to transportation to and from the School of Origin [42 U.S.C. §11432(g)(1)(J)(iii)].

Participation in Programs: McKinney-Vento eligible students are guaranteed the right to services comparable to services offered to other students in the school [42 U.S.C. §§11432(g)(4); (g)(6)(iii)].

Unaccompanied Youth Experiencing Homelessness: McKinney-Vento eligible students are guaranteed the right to immediate enrollment without proof of guardianship [42 U.S.C. §1432(g)(1)(H)(iv)].

Access to Extracurricular Activities: Removal of barriers to accessing academic and extracurricular activities for homeless students who meet relevant eligibility criteria [42 U.S.C. §11432(g)(1)(F)(iii)].

Dispute Resolution: If you disagree with school officials about enrollment, transportation, or fair treatment of a homeless child or youth, you may file a dispute with the school district by contacting the McKinney-Vento Homeless Liaison within seven (7) business days of receiving the written eligibility determination notification [42 U.S.C. §11432(g)(3)(E)].

Appointment of a McKinney-Vento Homeless Liaison: The McKinney-Vento Homeless Assistance Act mandates the appointment of a local Homeless Liaison in every school district or local education agency (LEA) to ensure that homeless children and youth are enrolled in and have a full and equal opportunity to succeed in school [42 U.S.C. §§11432(g)(1)(J)(ii); (g)(6)(A)].

Family Educational Rights & Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

1. Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
2. Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - a. School officials with legitimate educational interest;
 - b. Other schools to which a student is transferring;
 - c. Specified officials for audit or evaluation purposes;
 - d. Appropriate parties in connection with financial aid to a student;
 - e. Organizations conducting certain studies for or on behalf of the school;
 - f. Accrediting organizations;
 - g. To comply with a judicial order or lawfully issued subpoena;
 - h. Appropriate officials in cases of health and safety emergencies; and
 - i. State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Child Find Policy

Pillar Academy (the School) will identify, locate, and evaluate all children, within its population served, with disabilities who are in need of special education and related services. The School's Child Find activities must include any student who is suspected of being a child with a disability and in need of special education, even though the student may be:

- advancing from grade to grade or
- highly mobile, including a migrant student.

The School will inform the general public and parents, within its population served, of its responsibility for special education services for students aged three (3) through twenty-one (21) years and how those services may be accessed, including information regarding early intervention services for children aged birth through two (2) years. Services for an eligible student with a disability will extend through conclusion of the instructional year during which the student attains the age of twenty-two (22).

For each new student, the School will review enrollment data and educational performance at prior schools then complete, within forty-five (45) days following the date of enrollment, a screening for identification of possible disabilities. Screening procedures will include vision and hearing status as well as consideration of the following areas:

- cognitive or academic,
- communication,
- motor,
- social or behavioral, and
- adaptive development

Within 10 school days following identification, any concerns noted during the screening will be shared with the parent, guardian, or adult student, and an explanation of the School's follow up procedures will be provided.

A parent, guardian, or student may identify a developmental or educational concern or request an evaluation for the purpose of identifying disability and the need for special education and related services. Within 10 school days following the identification or request, an explanation of the School's follow procedures will be provided.

A student will be referred to the School's administrator for consideration of the need for a full and individual evaluation or other services if:

- a history of special education is identified during the review of enrollment data and records from prior schools,
- concerns are identified during the School's screening process,
- developmental or educational concerns are identified by the parent, guardian, or student, or the parent, guardian, or student requests an evaluation.
