DESCRIPTION: Great looking and performing recurve. Bear's Futurewood riser (resin impregnated compressed hardwood). Comfortable grip. Factory installed stabilizer bushing. Limbs show standard use. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range and test shot. Comes with a new Bear rug rest and a side plate, and a new green Flemish string.
