

# Right Hand Ministries

“Then the King will say to those on His RIGHT HAND, ‘Come, you who are blessed of My Father... for I was hungry and you gave Me food, thirsty and you gave Me drink, a stranger and you took Me in, naked and you clothed Me, sick and you visited Me, in prison and you came to Me.’”

Matthew 25:34-36

## CHILDREN'S PROFILES

**Sunil (born 1-18-02, HOPE):** Came into HOPE around his 4th birthday. His parents had married, the mother not knowing that the man had been married twice before. The quarreling over this situation led to Sunil's father leaving the home. The mother wanted to remarry, but Sunil was a hindrance for that in the India culture, so they asked HOPE to take him. He had a terrible whooping cough that didn't heal for months. Now he's 14 and going into the 10th grade soon. A nice boy. Pray for him, as he stopped growing taller a few years ago, so has some insecurity.

## SHOWERS OF BLESSING IN THEIR SEASON

*“And I will cause showers to come down in their season. They will be showers of blessing.”* Ezekiel 34:26

As of mid-July 2015, we had no money for land, a widows home or anything. Since that time the Lord has provided us with a small piece of land (nearly 17% of an acre: 7,378 sq. feet), as well as a home for the more needy widows and a tailoring shop (now under construction). We shared with you that the owner of the adjoining land was wanting to sell this land to others if we're not able to buy now. Even with the ridiculous rates I shared with you, a whopping \$27,805 was given within less than 10 days! This morning (the 16th of May) we went to finalize a deal with the owner. We thought we had enough to purchase the entire piece of land, but were a little disappointed when he demanded much more money. We settled for about 3/4 of the total land available, the remainder still available for us at the same rates if we buy within 3 months. Another \$9,000 or so is needed for that (depending on exchange rates at the

**Chumki (born 6-8-06, Morning Star):** Her family's village was attacked in 2008 by Hindus. While hiding and trying to survive in the jungle, her father fell into pits twice. His injuries, as well as the lack of food, etc. caused him to become sick. With fear the family returned to their village, but all had been stolen. Within 2 days after returning to their village, her father died. The mother struggled to care for her 6 children, Chumki only 2 at that time. She's a sweet girl, coming into MS in early 2013.

time of purchase). Even so, we praise GOD for miraculously providing, when we had nothing in our hands. *Ephesians 3:20-21*

**Below Left:** In the foreground of the photo is most of the nearly 1/2 acre which Lord willing we will own soon. The long building to the right is the widows home and tailoring shop (widows on the left in photo). As I write, tomorrow the masons should start the plastering of the tailoring shop. **Right:** Our HOPE girls are leading 3 different VBS's this summer. In this Krupa Colony village they did 2 puppet shows and 2 skits, as well as teaching songs, Scriptures, dances, etc. We are so pleased with how GOD is using them.

## RESTORING THE MISSING PARTS

I don't usually use so much space within a newsletter to share teachings that may not relate directly to the ministry which is taking place via RHM. But I have a deep burden in my heart for the Lord's people, especially in America. I get news and ministry info from various sources via e-mail, even though I'm mostly here in India. There is certainly a war raging between good and evil within the USA, the powers of darkness using our current leadership and court system to try and destroy America's heritage, and destroy the believer's ability to have any say-so within society.

But as I read this info, and see how many are calling for His people to rise up and fight against the tide of evil which is raging, I believe with all my heart that most of the ministers who are trying to rally the people are not really getting to the **roots of our spiritual problems** in America. "*Blessed is the nation whose GOD is the Lord*" (Psalms 33:12), but friends, it's not only America in general which has turned away from Him. Even most "Christians" have become what the Bible says in the last days will be "*lovers of self, lovers of money...lovers of pleasure rather than lovers of GOD*" 2 Timothy 3:1-4. Many believers also need to repent.

I've written a book called 'Missing Parts', which I believe gets to the root of many of our problems in America, especially problems within the churches and ministries of America. Do you notice anything wrong with the photo above, like maybe some parts missing, cut out of the Bible? Even the entire Book of James is gone. Somebody didn't like what these parts of the Bible say, so they simply removed what they don't like. Very few people would actually do such a thing physically, but within our belief systems, many of us are removing MANY Scriptures from the Bible which we don't like, don't want to follow, or which don't line up with our concept of GOD.

Almost 2 years ago the Lord put 4 "missing parts" in my heart to write about, parts of the Bible which are rarely discussed in many churches and ministries today: **repentance, the fear of the Lord, the judgments of GOD (including hell and the Judgment Day), and the influences of worldly desires.** Friends, many times (because of a shortage of time in my life) I thought to put the book down, but His Spirit kept compelling me to finish it. I know it's from Him, that He helped me and gave me His thoughts on many matters. I'm not sure what all He desires to do with the book, but I have full confidence that anyone who will take the time to read it, and to look up the Scriptures, will be blessed and challenged.

Here's an excerpt from the book: After sharing more than 20 Scriptures concerning **His blessings which come upon those who fear Him**, I recall some of those blessings: "*being taught His ways (and given direction), prosperity, an inheritance for our chil-*

## MANNA PROGRAM PROFILES

**MASTHANAMMA (Reddipalem MP):** . In her 70's, her husband near 80, working as a cobbler (repairing shoes). They have no children. She has been handicapped from birth, but about 15 years ago she broke a leg, which didn't heal properly. From that time she's not able to walk at all. The pastor feels she is sincere in her walk with the Lord, but she needs understanding and comfort. I've never seen her smile.

**VIMALAMMA (El Bethel MP):** In her 70's, her husband dying around 2010. She has 2 daughters, one whom she lives with, the other going to another village. Both married Hindus and are poor. They don't take care of her needs sufficiently. When El Bethel's ministry started sharing Christ in her village about 20 years ago, all were idol worshippers. Through the Lord healing a woman in the village of diabetes, the door was opened to the Gospel. This sister came to Him around 2000. A faithful believer; though old and unable to work, she still walks more about 1/2 a mile to reach the church for meetings.

*dren, understanding His secrets and His Covenant, having an abundance of His goodness, having His eye upon us, having the protection and deliverance of the "angel of the Lord", having every need met, salvation, glory, great lovingkindness and compassion, righteousness, fulfilled desires and answered prayers, having His favor upon our lives, strong confidence, a place of refuge, a fountain of life, peaceful sleep, untouched by evil, honor, mercy, peace, comfort, an increase in souls being saved. Seems like a pretty good life to me, and yet many have been taught and made to believe that the fear of GOD is a negative thing, and that somehow, if a person fears Him then his spiritual life will be damaged."* What is your concept of the fear of GOD? Are we trying to obtain these blessings without fearing Him? When's the last time you heard a message about fearing GOD?

I hope you'll go to [www.missingpartsfromthebible.com](http://www.missingpartsfromthebible.com), where you can read or save a **free copy** of the book to your computer or device.

**Below:** Every month 80 or more pastors come together for pastors training and encouragement via the Morning Star ministry.
