Raleigh Ringers Horseshoe Club
2024-2025 Winter Polar Bear League

****

For the twelfth year, the Polar Bear League has continued its winter league when there are no tournaments on the State Schedule. The League provides an opportunity for established pitchers to maintain their skills and also provides a great setting for new pitchers to develop their pitching delivery in a relaxed environment and establish ringer percentages for tournament play. League statistics and achievements are shown below.

Front Row(L→R)	Back Row (L→R)	Absent On Date of Picture
