"Building a foundation for a bright future"

Little Sunshine News

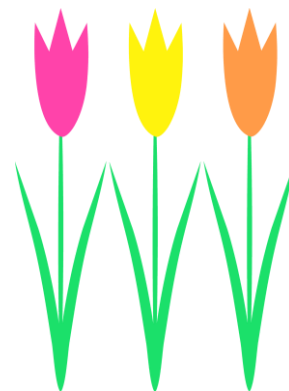

April 2017

This month, we'll explore some Great Gardens! We'll discover all the different types of seeds and plants and what helps make beautiful gardens grow. Then, we'll work together to Save our Earth, and learn all about recycling! We'll end our month by exploring the many kinds of creepy crawly creatures that can be found in the garden. Let's get ready for another fantastic month!

Dates to Remember:

- * Happy Feet Soccer: Mon. 4/3, 4/10, 4/17, 4/24 (ages 2+)
