#### THE DINING PROGRAMS

Confidence in party and dining situations frees one from worrying about mistakes. Everyone has experienced awkward moments - dropping a fork on the floor and wondering whether to pick it up or leave it there, or showing up at a party all dressed up while everyone else is wearing jeans.

Students learn to feel comfortable and self-assured in social situations. These fun and informative programs include role-playing exercises and a workbook for each student to keep as a reference guide. An on-site tutorial luncheon or dinner will be served.
