

BELLEVILLE HENDERSON PANTHERS TRAP SHOOTING

EST. 2016

Dear Valued Sponsor:

The Belleville Henderson Central School District, in partnership with the Henderson Fish & Game Club, will be participating in the New York State High School Clay Target League for its spring 2018 season.

The Belleville Henderson team is comprised of students in grades six through 12 from both Belleville Henderson and Watertown City Schools. The Henderson Fish & Game Club will be their home club.

The Belleville Henderson team will have between 40 to 45 students, both boys and girls, participating in the league's third season. The trap team finished second at the state championships in 2016 and sixth in 2017. The students joining have various skill levels of trap shooting experience, with some never having taken up the activity.

We would like to help offset some of the cost of participation for students by seeking both sponsorships and donations for our spring 2018 campaign. The students incur costs for ammunition, targets, safety equipment, team uniforms and registration fees.

Consider becoming a part of history as we establish a new Panther tradition at Belleville-Henderson by becoming a sponsor or making a donation to support the team. Belleville-Henderson established the first high school trap team in NYS in 2016. Any size sponsorship or donation is greatly appreciated.

Please make checks out to: Belleville-Henderson Trap Shooting, 8372 County Route 75, Adams, New York 13605.

If you have any questions regarding sponsorships, please contact head advisor David Winters at (315) 405-0142 or dwinters@bhpanthers.com. Please visit our web site at www.bhtrap.com.

Thank You for your consideration.
Respectfully Yours,
