Berwick N.H.
Sept 15th / 79
P. C. Weathers
Dear Sir
As I have not heard from
you for some time I thought
I would drop you a card
and find out whether you
were in the land of the
living or not. I was in
Maine three weeks this
summer, but at the present
time I am stopping in
Berwick. Nothing much
of importance going on
here at present so I
will not write any
particulars until I
hear from you
Yours
A. M. Howard
