WELCOME AND PHILOSOPHY

Thank you for choosing the Grant County Family YMCA Live Y'ers Preschool Enrichment Program. The YMCA is committed to building strong kids, strong families, and strong communities. Through our Enrichment Program we want to impact the youth in our community while directly supporting the school they attend.

Our program is designed to provide warm, nurturing care in a safe environment. Your child will be given the opportunity daily to grow in a positive setting that is conducive to their development and essential skills. Our mature and experienced staff will also focus on incorporating the Y's four core values of: Caring, Honesty, Respect, and Responsibility into the program.

Our YMCA Preschool program is available for children enrolled at Marion Community Schools Little Giants Program. This group is made up of 3 & 4 year olds and any 5 year olds who missed the cut off for kindergarten. Our programs include Before & After School, Holiday Camps, and one Friday a month that preschool does not have school.

This parent handbook has been designed to promote communication and to assist you in understanding our policies and procedures. The policies outlined in this handbook are intended to protect your child(ren) and to ensure that his/her experience in our program is positive and rewarding.

If you have any questions about our Live Y'ers Enrichment Program or want to know more about volunteering/or helping with the program, please feel free to talk to the Live Y'ers Site Supervisor at your child's school or call the YMCA and talk to our Child Care Director-Stephanie Herschberger at 765-664-0544.

Stephanie Herschberger
Child Care Director

ABOUT THE Y

The Y is the Nation’s leading nonprofit organization. We are committed to strengthening the foundation of our communities through youth development, healthy living and social responsibility.

The YMCA Mission Statement

To put Christian Principles into practice through programs that build healthy spirit, mind, and body for all.

Character Development

Y’s throughout the USA strive to implement our character development program exemplifying our core values of: **CARING, HONESTY, RESPECT, and RESPONSIBILITY**. These core values provide a foundation that guide all the Y programs, staff trainings, and operations. It is our job to give youth and our staff experiences that help them develop a set of positive values, morals, and ethics to live by. The School-Age Childcare Staff strives to provide an environment focused on these Y core values.

Child Care Staff Qualifications

The YMCA takes pride in the quality of the staff that works in our program. Our staff consists of mature, enthusiastic individuals who have experience working with children, knowledge of age appropriate activities, and they must model the Y’s core values. All Y staff are First Aid and CPR certified. Background checks are conducted which include national criminal history checks (mandatory fingerprinting) and national sex offender public registry check. Our staff is also required to have a drug test, TB test and child abuse prevention training. Staff will participate in training throughout the year to help assist them in providing age appropriate activities, curriculum, behavior management and inclusive training.

Program Goals

- Provide a safe, supportive and caring environment
- Focus on instilling the four core values in each student
- Provide a program that helps to increase the self-confidence and the feeling of self-worth for each student
- To help improve communication between children and their parents
- Support students education

ENRICHING CURRICULUM

The YMCA’s national character building campaign pledges to incorporate the values of **CARING, HONESTY, RESPECT** and **RESPONSIBILITY** as part of all youth service programming. Our program provides a resource-rich environment and introduces children to activities that build on what they learned during the school day. YMCA staff implement curriculum in active learning centers.

OUR CURRICULUM INCLUDES:

- ↳ Cognitive Development.
- ↳ Social and Emotional Development.
- ↳ Speech and Language Development.
- ↳ Fine Motor Skill Development.
- ↳ Gross Motor Skill Development.

The specific activities associated with these areas take place in one or more of the following contexts, each of which is balanced throughout the day or week:

- Free Choice
- Indoors and Outdoors
- Small Group and Individual
- Large Group
- Nutritious Choices
- Project Time

Before School Program

Begins at 6:30 am and runs until school begins. If school is delayed due to weather, our staff will provide care for your child until the start of school.

After School Program

Begins at school dismissal and continues until 6:00 pm.

Friday Program

The Y will provide an all-day program for preschoolers once a month on Fridays for preschoolers that attend Marion Community. This all-day program will start at 6:30 am to 6:00pm. We will provide breakfast, lunch, and an afternoon snack. There will be an additional fee for this program if you are already signed up for our Live Y'ers Before & After School Preschool program. See Fees Summary.

Holiday and School's Out Policy (subject to change)

On days that school is not in session, Live Y'ers will not be in session. During Winter and Spring Break, full day camps will be available at the YMCA from 6:30 am to 6:00 pm. Days that Live Y'ers would be closed include:

Martin Luther King Day	President's Day
Teacher Days	Weather Cancellations
New Year's Eve	Labor Day
New Year's Day	Thanksgiving Day & Day After
Good Friday	Memorial Day
Christmas Eve	Christmas Day

Inclement Weather / School Delays and Cancellations

If the start of school is delayed, the Live Y'ers staff will stay until school begins. If school is cancelled during this morning delay, parents will be notified to come and pick up their child from the YMCA and will need to make further arrangements for care. If school is released early due to inclement weather, the Live Y'ers program will not operate at the YMCA. Children will need to ride the bus home or parents will need to make arrangements to have child picked up at the school.

SIGN IN/OUT PROCEDURES

If you are new to our program, please allow extra time at drop-off and pick-up. You will be greeted by a YMCA staff member. Upon arrival, the staff will share the sign in/out process and answer any questions you might have. Adults (18 years or over) listed on the registration form will be authorized to pick up the child(ren) unless otherwise noted. Photo ID will be required during pick-up.

Morning Program- For safety reasons, you are REQUIRED to accompany your child into the building and sign them in on the daily attendance sheet.

Afternoon Program- It's important that you call the school and let them know that your child will be attending the Live Y'ers Preschool program at the YMCA. They will help make sure your child is put on the YMCA bus. Children will be signed in by a YMCA staff person. If your child will be absent from the program, please call the YMCA to let them know your child will not be attending that day. If your child does not report to the program, and we are expecting him/her, we will check with the school office to determine if your child was at school that day. If so, we will contact you immediately.

LATE PICK-UP

Parents who arrive after 6:00pm will be assessed a late fee of \$1 per minute, per child. After three late arrivals, we will ask that you make other arrangements. If a child has not been picked up by 6:30 pm, and no authorized contact person has been reached, the staff will follow the YMCA safety policy and procedures.

MEDICATION POLICY

Any medication given to your child at the YMCA must be in its original container with your child's name on it. A Medication Release form must be completed and signed with the following information:

1. Child's name
2. Type of medication
3. Physician's name
4. Amount of dosage to be given
5. Time to be given
6. Number of days to be administered
7. Possible side effects

YMCA staff are not permitted to give the first dosage of any medication. Staff may dispense only prescription medication. If your child refuses medication, we will contact you for further instructions.

Child Illness Police

Exclusion from the program is sometimes necessary either to reduce the transmission of illness or because the program is not able to adequately meet the needs of the child. Reasons for the YMCA to exclude children include (but are not limited to) the following:

- Illness that prevents the child from participating comfortably in program activities, such as going outdoors.
- Illness that results in a greater need for care than our staff can provide without compromising the health and safety of other children.
- Illness that poses a risk of spread of harmful disease to others
- Fever of 100 degrees or above (axillary); 101 or above (orally) or an equivalent measure accompanied by behavior change or other signs and symptoms.
- Diarrhea; child unable to reach the toilet.
- Vomiting
- Rash with fever.
- Purulent conjunctivitis (Pink Eye) - (defined as pink or red conjunctiva with white or yellow eye discharge) until on antibiotics for 24 hours.
- Strep throat (or other streptococcal infection) until 24 hours after treatment has been started.
- Head lice or nits until after first treatment.
- Chickenpox, until all lesions have dried or crusted (usually 6 days after onset of rash).

For your child's comfort, and to reduce the risk of contagion, we ask that children be picked up within 1 hour of notification. Until then, your child will be kept comfortable and will continue to be observed for symptoms. Children need to remain home for 24 hours without symptoms before returning to the program, unless the center receives a note from the child's medical provider stating that the child is not contagious and may return to the center. In the case of a (suspected) contagious disease, rash, or continuing symptoms, a note from the child's medical provider may be required before the child can return. Children who have been excluded may return when:

- They are free of fever, vomiting, and diarrhea for a full 24 hours.
- They have been treated with an antibiotic for a full 24 hours.
- They are able to participate comfortably in all usual program activities, including outdoor time.
- They are free of open, oozing skin conditions unless the child's medical provider signs a note stating that the child's condition is not contagious, and the involved areas can be covered by a bandage without seepage or drainage through the bandage. If a child is excluded because of a reportable communicable disease, a note from the child's medical provider stating that the child is no longer contagious and may return is required. The final decision on whether to exclude a child from the program due to illness will be made by the Child Care Director and/or Executive Director.

ACCIDENTS & INJURIES

The safety of the children in our care is our top priority. Even with watchful eyes, young children are often testing their physical limits, making injuries inevitable. With minor accidents, YMCA staff will verbally inform you at pick-up time. In the event of a medical emergency requiring a doctor's treatment, we will contact you immediately. If we cannot make contact with a parent, emergency personnel will take the child to the emergency room via ambulance. At all times, there will be a YMCA staff person on site who is trained in First Aid and CPR.

OTHER EMERGENCIES

In the event of a fire, tornado, natural disaster, or other related emergency situations, our YMCA staff will follow the school system or YMCA established plans.

STAFF RELATIONSHIPS WITH CHILDREN OUTSIDE THE YMCA SETTING

Staff members are not allowed to be alone with children they meet in YMCA programs outside of the YMCA program setting. This includes babysitting, sleepovers, and inviting staff members to children's homes.

Exceptions may be made only if one or both of the following conditions exists:

1. Staff and child's family have a relationship that predates the staff member's employment or child's enrollment in the YMCA program.
2. Staff and the child's family are related.
3. Notify the YMCA.

BEHAVIOR MANAGEMENT POLICY

It is the Y's goal to provide a healthy, safe, and secure environment for all day camp participants. Children who attend the program are expected to follow the behavior guidelines based on the Y's four core values and to interact appropriately in a group setting. Behavior Guidelines:

- We will care for ourselves and for those around us.
- Honesty will be the basis for all relationships and interactions.
- People are responsible for their actions.
- We respect each other and the environment.

When a camper does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the camper to more appropriate behavior.
2. The camper will be reminded of the behavior guidelines and day camp rules, and a discussion will take place.
3. If the behavior persists, a parent or caregiver will be notified of the problem.
4. The staff will document the situation. This written documentation will include what the behavior problem is, what provoked the problem, and the corrective action taken.
5. Staff will schedule a conference with the parent or caregiver, so they can determine the appropriate action to take.
6. Staff will schedule a progress check or a follow-up conference.
7. If the problem persists, staff will schedule a conference that includes the parent or caregiver, child, staff, and program director. The program director will have all documentation and the notes from the previous conferences for review.
8. If a child's behavior at any time threatens the immediate safety of that child, other children, or staff, the parent or caregiver may be notified and expected to pick up the child immediately.
9. If a problem persists and a child continues to disrupt the program, the Y reserves the right to suspend the child from the program. Expulsion from the program will be considered in extreme situations.

Special Needs

The YMCA will make reasonable accommodations for children with special needs. 1:1 aides are not provided by the YMCA but will be accommodated if the family provides one for their child, and they meet our hiring or volunteer criteria. Unless a family provided personal aide accompanies them, children must possess the ability to self-monitor, be dependently mobile, and the ability to reasonably foresee the consequences of their actions. No child will be denied acceptance unless his or her presence would pose a significant risk to himself or herself, or to the other individuals participating in the program. If your child has special needs, please make an appointment with the Child Care Director. During this appointment we will go over your child's needs and together determine if our program is the right program for your child. If the YMCA cannot meet the child's needs through reasonable accommodations, the placement cannot be accepted. Decisions are made on a per case basis.

Payment Fees

Full payment is due on Friday each week prior to your child attending. If your account becomes more than **2 weeks** past due this will result in automatic termination of your child or children until account is paid in full.

Returned Check Fee

If your check is returned for insufficient funds, it will be collected electronically by E Cashflow and you will be assessed a minimum fee of \$20. The check writer will be responsible for all subsequent collections costs through E Cashflow. Once E Cashflow has referred this for collection, the YMCA is not able to receive payment for the returned check.

CCDF Vouchers

We do accept CCDF Vouchers at our YMCA site only. If you need an 805 form completed, we ask that you call and request it at least 5 days before your appointment. The Child Care Development Fund allows parents the opportunity to maintain employment and complete educational goals without the overwhelming financial burden of child care costs. Parents must be working, going to school, or receiving job training to qualify for the program. If you have any questions please call the Grant County Family YMCA and ask for the Child Care director.

Financial Assistance

We believe that no one should be turned away due to inability to pay. The Grant County Family YMCA is a non-profit organization committed to strengthening the foundations of our community, one child at a time. Those families unable to pay full cost of participation and who currently are not receiving or do not qualify for CCDF are encouraged to apply for Financial assistance through the YMCA or download the application from our website.

Fees Summary

Registration Fees: \$25/child

Weekly Rates:

Mornings only \$30

Afternoons only \$40

Mornings & Afternoons \$55

Friday (All Day Program) \$30/day for preschooler enrolled in Live Y'ers

\$40/day for preschoolers who are NOT enrolled in Live Y'ers

If for any reason you wish to withdraw from our Live Y'ers program, please notify the Child Care Office in writing at least one week prior to the withdrawal from the program. This will allow for us to process final charges to your account and/or credits can be processed when applicable.

If you have any questions or concerns about our Live Y'ers program, please contact
