

PROJECT PLAY THERAPY, LLC

Dear Montessori Academy Parents & Caregivers,

Hello! My name is Sarah Keene and I wanted to take a moment to introduce myself and my team at Project Play Therapy. We are excited to partner with Montessori Academy to offer students occupational therapy and speech and language services integrated into their school day.

Project Play Therapy offers 3 convenient Nashville locations serving children and their families with occupational, speech, and physical therapy services. We can also provide comprehensive psychoeducational evaluations as well as behavior analysis (BCBA). We are proud to partner with Montessori Academy to provide evaluations and intervention **at school** for the 2018-19 school year!

Project Play is bringing an experienced and enthusiastic team to Montessori Academy! We are excited for the opportunity to serve your students holistically and across disciplines. Feel free to reach out to me directly with questions or to inquire about starting services!

Best regards,

Sarah Keene, M.A. OTR/L
