

# 2019 FORMULA CONTESTS

Below are the formula's generated for 2019. If your school received a "0" please fill out the "Contest Alternate Form." If there is an opening that comes available, we select from these forms to fill those spots. If your school has competitors in the contest, but you want more, again, fill out the alternate forms. If your school will not use all your spots assigned, please notify the State Director as soon as possible, so schools with "0" may enter. *Thank you*
