

UNITYWORKS

Summer Training Institute

Monday–Friday, June 18-22, 2018, Yakima, WA

How is your school or district addressing cultural responsiveness as a key strategy for closing the educational opportunity gap? Do teachers have the knowledge, skills and attitudes needed to effectively serve all students? Do they understand the impact of institutional power imbalances and systemic oppression? What steps are being taken to increase equity and inclusion? Does your building have a Diversity Action Plan?

The UnityWorks Summer Institute is an action-packed, week-long annual professional learning event designed to prepare educators with the knowledge, tools, strategies and resources needed to improve school culture and student learning, and to design and carry out a successful Diversity Action Plan. Sessions will be held Mon-Fri, from 8:30-4:30. Clock hours available.
