UPDATED AGENDA

CHAIRMAN – Dr. Richard Rutkowski

Will the November election be a Red Wave, a Red Tsunami, or ...? We must not take anything for granted. So, a lot of it is up to us, how well we reach voters, and how successful we are at pushing voter turnout among Republicans and motivating rational-thinking INDs & PNDs. Make sure you're in touch with your Precinct Captain to coordinate your efforts. The list of Captains can be found on the About page of www.lid3gop.org. If you don't have the contact information, please contact Nancy or me.

Thank you to all of you have submitted your e-mail permission forms electronically or in person. If you haven't done that yet, do this ASAP. Forms will be available at the meeting, are available on the Documents page of www.lid3gop.org, and can be downloaded HERE. State statute requires us to have your permission to notify you by email (rather than regular mail) for the District Organizational Meeting which will be held this fall. So, please submit a scanned copy of your completed form to lid3gop@protonmail.com or get it done on September 8. Thanks for your cooperation!

Also, at our September 8 meeting, we will begin preparing for the upcoming Organizational Meeting by electing 4 members of the Nominating Committee. Details can be found in Article VII, Section 3 of our Bylaws and will also be shared at the meeting.

I can be contacted at "lid3gop@protonmail.com." I check that account every day. Thanks for all that you do!

FIRST VICE CHAIRMAN - Nancy Ordowski

The days fly by and once again it is time for us to step up to serve as Poll Workers and Poll Observers, as well as making sure to walk our Precincts and reach voters. There will be so many issues on the ballot that make it essential to the prosperity for the state of Arizona. You are the one to share that information to your voters.

If you want to work as a worker at MCTEC or as a Poll Worker (paid positions) you need to contact the Recorder's Office at 602-506-3535. Ask them to transfer the call to one of the people that are hiring. Then keep in contact regularly, they will be hiring from now well into the middle of October.

MCRC has no authority to hire any of the workers for these jobs.

Poll Observers are an entirely different situation. It is the responsibility of MCRC to make sure our Polling locations are staffed with volunteers. I know many think this is an unimportant job, but you are very important. It is from all of you that many reports were submitted giving us information we can take to our Legislators to change and improve our Election laws. If you were at Poll Observer for the Primary watch for email updates from Chairman Niland or Heidi Grande.

If you are able to help for the General Election, and weren't an Observer for the Primary please send me an email with your Name, Phone Number, Address, Email and Voter ID. I will make sure it gets to Heidi. There will be more locations open for the General. Everyone will need new Credential forms, so watch for locations around the County where you can meet us to pick up your forms and to get a short review of changes.

You all did a great job for the Primary and I know we can make a difference for the General Election.

SECOND VICE CHAIRMAN - Catherine Tunget

Thank you for making our School Board candidate event a great success! Thank you to all of the candidates for their participation. I appreciate each one of you and am grateful for you stepping into the battle on behalf of our children. We honor and support your efforts and are praying for you.

This month, we will be hearing from April Smith, of AZ Free Enterprise Club who will be doing a presentation on all of the upcoming ballot initiatives. I would suggest bringing a notebook to make notes. These initiatives will be on our golden ticket as well. Yard signs, palm cards for "Yes on 309", (Voter I.D. Initiative) and flyers with all of the initiatives will be available for PCs to pick up as well.

We will also be having a presentation by Candace Czarny which will focus on GOTV for the November election. The rollout of our golden ticket and a presentation from our hard-working golden ticket committee will be included. PLEASE COME TO THIS VERY IMPORTANT MEETING!!! Please note, the auditorium will be arranged to facilitate PCs sitting with their individual precincts. Thank you in advance for your cooperation. This will further facilitate a "working meeting". We need all hands-on deck to make sure we have a huge RED WAVE this November in all of our races. It's going to take each one of us!

Thank you for allowing me to be of service and please free to reach out any time with comment, questions or concerns. catherinetunget@gmail.com Phone 602-616-4781 Together we are a force to be reckoned with. We will make our voices heard in our upcoming elections, by electing our Arizona First Republican candidates!

Statement of Activity

End date; August 29, 2022

As a reminder, any money provided to the Legislative District, whether as a contribution or a purchase of a name badge, must be reported to both the Arizona Secretary of State's Campaign Finance Division, and to the Maricopa County Recorder's office. Political parties, including legislative districts, are required to provide the name, address, occupation, and employer, along with a phone number or email address for all transactions. If you make a donation or purchase a name badge using the online form or QR code, please make sure that you email me your completed donation or purchase forms at djtrudeau@gmail.com. I was asked about accepting Zelle donations directly to our bank account. The LD's bank account is a "business account." The bank informed me that business accounts are unable to accept transfer payments, such as a "Zelle" payment. We are able to accept cash, checks and credit card donations and purchases. Please make all checks payable to the AZ LD 3 Republican Committee 2022. You can mail a check along with the completed donation and/or name badge order form to: AZ LD 3 Republican Committee 2022, PO Box 75666, New River, AZ 85086
