

## Maddie Profile

**Name:** Maddie

**Age:** 6 years old

**Gender:** Female

**Spayed/Neutered:** Yes

**Shots:** Current

**Description:** Dachshund

**Personality/Traits:** Maddie is wonderful with other dogs. She does well on a leash. She's the ultimate cuddle bug but may take a few days to open up - she was a little scared and skittish at first, but now loves to cuddle, play with the other pups, and hangs out on the pillow next to you. She doesn't seem too interested in toys and would rather be with her fur friends and humans.

**Special notes:** House and Crate trained. It is unknown how Maddie would react with children.
