

# Here She Comes Again

Here she comes again  
Lovely as the day  
Roses and cinnamon  
What more can I say

There she is again  
Living in my head  
Brown eyes and velvet skin  
Lay across the bed

Here she comes again  
Speaking like the rain  
Sweet honey on her tongue  
There I go again

**HERE SHE COMES AGAIN** from the album  
**PRODUCT OF CALIFORNIA** by It's OK!
