

# COMMUNITY ACTION

Hi my name is Olivia Germundson and I am a Senior at K-M High School. One of my classes in this first quarter is called Community Actions at I have chosen to do a passion project for The Gift of Life Transplant House. For this project, I have set a goal to collect \$250 to purchase 2 liter refill bottles of hand sanitizer to donate. This is an essential need they have listed on their "Wish List". Please let me know if you would be interested in donating to this cause.

**Mission Statement:** The mission of the Gift of Life Transplant House is to provide transplant patients and their caregivers with high quality, affordable accommodations in a supportive, home-like environment.

**Vision Statement:** To positively impact over 2,000 lives a year by providing a "home that helps and heals" for transplant patients and their caregivers, so they can focus on healing.

In November we will be filling 90 shoeboxes for the mission outreach Operation Christmas Child thru Samaritans Purse. Thru the month of October we will be meeting for craft night every Tuesday at 6:30 pm (or whenever people can make it) to make items for the shoeboxes. We meet back in the Sunday School wing. Everyone is welcome. We are also in need of more supplies. Below is a list of items we are in need of to put into the boxes or we use to make other items for the boxes. Please put your donations in the bin between the fellowship halls. Thank you for your support for this great ministry outreach.
