The Ohio Gymnastics Institute began in 1986 with less than 50 students and has grown out of its first two facilities into our current facility that has over 1750 people entering our doors each week.

The Ohio Gymnastics Institute has always maintained a mission of providing the highest quality of instruction, coupled with a level of involvement which is appropriate for a developing child at a price that is reasonable and fair.

## **Fee adjustment to begin August 1st**

Each year in August, to keep pace with the Consumer Price Index, we adjust our lesson fees. Beginning August 1st the base rate for a one hour long class will change to \$63.00 per month. We are very proud of our long heritage (29 years in business) of providing the best possible staff, instruction, facilities, programs and policies available in the Youngstown area. Remember that we offer many discounts which provide added value for our customers including Family Discounts, Steady Customer Discounts, Second Class Per Week Discounts and Early Pay Discounts. Remember the best way to be certain that you will receive your early pay discount of \$5.00 per student enrolled is to get your payment to the office "on or before the first calendar day of the month." Those enrolled in ACH or Pre Authorized Credit Card payment system will always receive their Early Pay Discount.
