We are delighted to welcome you to our practice and are pleased that you chose us to serve your dental needs. We are serious about providing superior dental care at reasonable prices, and proud of our dedication to our patients. Our goal is to help you feel and look your very best through exceptional dental care.

Your initial exam will include x-rays, examination of your hard and soft tissues, oral cancer exam and cleaning. If you are unable to make the appointment you have scheduled with us, please notify us at least 24 hours in advance. We would be glad to reschedule the appointment at a more convenient time, if necessary.

Several days before your appointment, our system will be available for you to fill out your patient forms. Please fill out the forms via the computer by clicking on the button that is labeled Patient Forms. This link will take you to a secure web site which will have (4) Patient Forms. You must have a scheduled appointment to access this site.

Please read all paragraphs and check each of the boxes on Form 1 to utilize electronic forms and communications for the best patient experience with our system. Some boxes indicated by a red (*) must be checked or have data entered prior to submitting the form. You are only required to put in your address once and can simply type in "same" for any repeated address requests.

Your insurance information will be required on Form 2. Even if you have no insurance, you must check the box that indicates you give the doctor any permission needed pertaining to insurance. This box is necessary for insurance and we could not make it flexible! If the insurance policy is in your name, simply type in "self".

A list of all medications and any allergies you may have will be required on Form 3 (Medical History). Please be careful to tell us all of your medical and dental issues and skip any entries that do not apply to you.

If you have any difficulty with the forms, please give us a call and we will be happy to assist you.

In the meantime, we look forward to meeting you and serving your needs. Thank you for choosing Dr. Wendy Moore as your primary family dentist.
