The President's Corner

Lew Blocker, HFSC President

We are excited to begin another pool season Saturday 05/17/24 (opening day). I want to take this time to thank my fellow Board members; it is because of these volunteers that the Hayfield Farm Swim Club is such an awesome place to spend the summer.

Our Board is made up of 9 members: President, Vice President, Treasurer, Secretary, Membership, Facilities, Operations, Swim/Dive Team and Social. The Board meets monthly all through the year dedicating hundreds of hours each. I couldn't be luckier and am very grateful for each and every one of these volunteers!

Pool Cleanup Day - May 3, 9am-12pm

Please join us for our annual pool cleanup day on May 3. It takes a lot of work and many hands to get the pool ready for opening day! The larger the turnout, the quicker we get the job done.

Volunteer a minimum of 2 hours at cleanup day and you will receive 5 guest passes good for the 2025 swim season (limit 5 passes per family, must have paid 2025 HFSC dues or obtained a lease for 2025). In order for you to receive the guest passes, you must sign in and out at the sign up table. The table will be located near the gate next to the snack bar area.

In past years, we have been able to end early. In order to qualify for the complimentary guest passes, please plan to arrive in plenty of time to get the minimum 2 hours of time recorded.

SWIM & DIVE TEAM UPDATES

Summer is almost here which means it's time for Swim and Dive Season! We are thrilled to have Coach Brett Eanes and Coach Fin Belt returning as our head Swim and Dive coaches. We are continuing in Division 14 for Swim Team and Division 3 for the Dive Team. After school practices beginning on Tuesday, May 27th before switching over to morning practices on Monday, June 16th. Swimmers and divers must be registered before attending practices and be active members (dues or lease fees paid for the 2025 season). Anyone new to the swim or dive team will need to attend evaluation event before the start of the season.

We will keep the current team swim suit style this year. There will be a swim suit sale hosted by Sport Fair at the pool on May 28th, 4:30-7pm, for those who would like to purchase a new suit. Suits are also available at swimoutlet.com or by visiting Sport Fair in Arlington; just let them know you are with Hayfield Farm. In addition, we will have a limited number of used suits and fins for sale on May 28th.

Our popular "Mini Hawks" program will be back this season for young swimmers. This program is for participants that are 4 years old as of June 1, 2025 and focuses on skills such as streamlining, starting dives and stroke technique. All prospective Mini Hawks must be evaluated before registering for the program.

Dates and information regarding evaluations, registration, practice times, and our online team store can all be found on seahawks.swimtopia.com. The website is updated throughout the season so please check back often for current information.

Finally, we are very excited to share that we are hosting Swim Divisionals on Saturday, July 19th. This is a large event with 5 teams coming together and competing at Hayfield Farm Swim Club for the Division 14 crown. We will need all hands on deck from our Seahawks families to make this a successful, fun, and memorable event.

None of this would be possible without the involvement of our swim families and the leadership of our incredible team representatives. If you are interested in helping out or have ideas to share, please reach out to them directly.

NEW & IMPROVED!

As part of our ongoing commitment to enhancing the HFSC experience, we are excited to announce a series of capital improvements for the upcoming season! As you approach the front doors, you will notice replaced a new concrete walkway along with beautiful edging around the front entrance trees. Entering the bathrooms, we have upgraded countertops and refreshed seating in the bathrooms, creating a cleaner and more modern space for members. Around the pool deck, we have added new umbrellas and sturdy umbrella stands to increase comfort and shade, along with elegant flower pots to brighten the entire area.

Most notably, the two small pavilions have undergone an amazing transformation to match the design of the newly renovated large pavilion (completed in 2024) that brings a fresh, cohesive look to the entire pool complex. We also added stylish accent lighting and a fan to the small pavilions which allows ambient light while minimizing attraction of little critters for a more comfortable area to gather.
