

♥ “Warmth for Winter” ♥

Dogs, cats, and other animals are more than just “pets” to their homeless companions. These amazing animals are “forever guardians”, providing protection, love, and emotional support needed for their owners to face their every-day challenges. These pets are their only true and loyal friends.

Throughout the past 6 years, HEART has been providing medical care, training, and other essential services & supplies for pets owned by people living in Orange County who are experiencing homelessness.

Thanks to our dedicated staff and the support of other generous and caring people, we have saved the lives of hundreds of homeless pets and have helped saved the lives of many of their owners.

Ongoing support is crucially needed for the thousands who are still without shelter, especially through the cold winter months, so please join us in helping provide warmth and much more for the homeless and their beloved companions. (Due to limited space and manpower, we are only able to accept the following items):

WINTER SUPPLIES NEEDED:

♥ For Humans: Jackets ♥ Hats ♥ Scarves ♥ Gloves ♥ Socks
