You are now through with the difficult part of using this system. All you need to do is follow along the instructions and choose the horse, owner, trainer and rider for each entry. The next screen will allow you to choose your classes. The screen after that will allow you to select how many stalls, including tack stalls, that you need, order shavings, and even sign up your non-showing horse.

When you are through with the fees screen, the next screen will allow you to review your entry information and check to be sure it is correct. When you are sure that it is, click the next button to submit it to the show. The next screen will allow you to print a copy of the entry for your records. Please drop me an email, text or give me a call if you have any problems with the process. I'll be happy to help with any issues.

Equitation classes open only to non professional riders who have not competed in any classes with fences 2'6" or higher at any HJEO, OHJA, or USEF recognized shows. This is an open division created for green horses and/or green riders not yet ready to move up to the 2'3" height. To be judged on manner of going, jumping style, and suitability for the beginner hunter ring. Because this is an open division, correct leads and a consistent number of strides may be considered, but simple lead changes are not to be penalized.

Beginner Hunter and Equitation

Open to non-professional riders that:

- have not competed in any classes with fences 2'6" or higher at any HJEO, OHJA or US Equestrian recognized shows.
- have not been awarded a champion or reserve champion year end award by HJEO in beginner or academy beginner hunter or equitation divisions.

Fence heights 2'3" with no oxers. On these types of horses, the add step may be acceptable at the judge's discretion. Flying changes are expected.

Academy Beginner Hunter and Equitation

Open to non-professional riders that:

- have not competed in any classes with fences 2'6" or higher at any HJEO, OHJA, or US Equestrian recognized shows.

- are showing on an academy horse (as described in HJEO constitution section 13.)

Fence heights 2'3". Trotting lead changes is not to be penalized. No oxers. This has the same specs as beginner, except that simple changes are not to be penalized. This division was created for school horses, so they may compete against each other on a more level playing field. In the event that the beginner and academy beginner are combined, the judge will be informed which horses qualify as academy horses, and those horses will be judged accordingly and will not be penalized for simple changes.

If the Academy Beginner division does not fill at any given horse show, it may be combined with beginner division but judged as Academy Beginner (i.e. trotting lead changes acceptable).

Intermediate Hunter and Equitation:

Open to non professional riders who:

- have not competed in any classes with fences 3' or higher at any HJEO, OHJA, or US Equestrian recognized shows.
