Upon arrival at Buenos Aires Ezeiza International airport (EZE), fly onward to Salta airport (SLA) where you will meet your local guide. *Early check-in has been confirmed at the hotel for your comfort.*

Salta is still very much a hidden treasure of Argentina. The charm and the character of this area lies in the **culture and folklore** of its people, in the architecture of its small towns, in the traditions and customs present in its markets, its food, its music and its religious festivities. A mix of Pre-Columbian civilizations (it was the southernmost outpost of the Inca Empire) and Spanish colonial past, the city of Salta (the gateway city to visit this area) is the best preserved Spanish colonial city in Argentina.
