## WE MISS OUR CLUB EVENTS

Santa Cruz Archers has been following the COVID-19 guidelines issued in the Santa Cruz Shelter in Place order of March 16, 2020, which effectively cancelled all of our events through April 7 and now through May 3, 2020. At this time, we do *not* know when we will be able to host events again. Keep an eye on our website for the latest updates if you are not sure!

## KEYMASTER REPORT

To get your clubhouse key to work your member renewal form and fees should have been mailed to Santa Cruz Archers, PO Box 66295, Scotts Valley, CA 95067-6295. Once Henry hears from the Secretary or Membership Chair they have been received, he can reactivate your card key.

**From Henry:** Some older keys do not work well with the new locks such as the lock replacement on the back gate. If you have problems with your key please take a picture of the front and back of the key. Make sure that I can read the key number. Send those pictures to [scarchers@comcast.net](mailto:scarchers@comcast.net). I will look at the pictures and email you with the actions you need to take.

## THANKS TO ALL WHO HELP MAINTAIN AND IMPROVE OUR RANGE!

The range and surrounding areas are needing lots of weed and debris removal this spring. There is no restriction on members coming in to do weed whacking and other range work. The logs still need to be hauled down from target 3 and we are not cancelling first Saturday of the month work party days! To contact Andy to let him know you would like to volunteer help, email [andrew.sterbenz@sbcglobal.net](mailto:andrew.sterbenz@sbcglobal.net)

Meeting	Outdoor Shoot	Work party
Indoor 300	10:00 Shared Adventures 1:00 Public Class	Indoor 450
		Critter Getter

Indoor shoots: \$1 members, \$3 guests  
 Outdoor shoots: \$3 members and guests  
 Critter Getter shoots: \$3 members, \$5 guests  
**Come to the shoots ½ hour early for warm up practice.**

To all working members: There is a NEW 2020 target maintenance sign up sheet on the back wall clipboard. Sign up to maintain one outdoor target area or the parking area for the year. Nice for members who can't make it to the 1<sup>st</sup> Saturday of the month work party to fulfill your work hours.

### Working members track your hours in the log book

Working members are expected to contribute 16 hours of service per year. Locate the red notebook hanging on the back wall of the indoor range to record work you have done for the club. Thank you!

### APRIL 7 MINUTES by Andy Sterbenz

COMPLETE MINUTES AND NEWSLETTERS CAN BE FOUND AT [www.santacruzarchers.com](http://www.santacruzarchers.com) See bottom of home page

Thanks to all for obeying the social distancing guidelines. It looks like it may be another couple of months before we can start holding group events again.

The County Shelter in Place order specifically lists archery ranges as something to close, so the gates stay locked until the order is lifted. But the Parks Department says it is OK to come in for weed abatement or other solitary maintenance tasks.

All Spring tournaments are either being postponed or cancelled. Check the CBH website for updates.
