

PANDORA'S BOX

Pandora's Box is a house that has been set up like a store. The house is stocked with generous donations from the public. When a resident is in need of supplies from Pandora's Box staff can bring the resident to shop. Not only does the resident get the items they need but also gets a shopping experience.

DONATIONS

The J. Iverson Riddle Developmental Center depends on gifts to insure that residents with low account balances have opportunities for a variety of activities and that all residents are appropriately remembered on birthdays and other special occasions.

Both In-kind and Monetary donations are tax deductible. A letter documenting your donation will be sent to you. When dropping off your donation please make sure we have your information.

Checks should be made payable to JIRDC or to Assure the Future (JIRDC's companion nonprofit).

We ask that all donations be new. Some gently used items will be accepted depending on need.

As always we are happy to take any donation! If we are unable to use the donation it will be shared with one of our sister facilities.

Thank you for your help in bringing happiness and quality of life to the residents of J. Iverson Riddle Developmental Center!

J. IVERSON RIDDLE DEVELOPMENTAL CENTER

The J. Iverson Riddle Developmental Center is an intermediate care facility serving citizens of 34 counties in Western North Carolina who are challenged by a variety of developmental disabilities. The average age of those residing at the Center is approximately 50 years.

Services are provided in this residential setting only when alternatives in lesser restrictive settings are unable to adequately meet an individual's needs.

The Center provides a full range of service and supports through professional disciplines and residential care services, including: Medical/Dental/Nursing, Occupational Therapy, Physical Therapy, Creative Arts Therapy, Communication, Therapeutic Recreation, Psychology, Special Education, Vocational Enrichment, Spiritual/Religious Services, Social Work, Volunteer Services and specialized personal care training.
