

GOOGLE HALLOWEEN DOODLE

HIDDEN LUCIFERIAN 666 AND MOCKERY OF JESUS' CRUCIFIXION

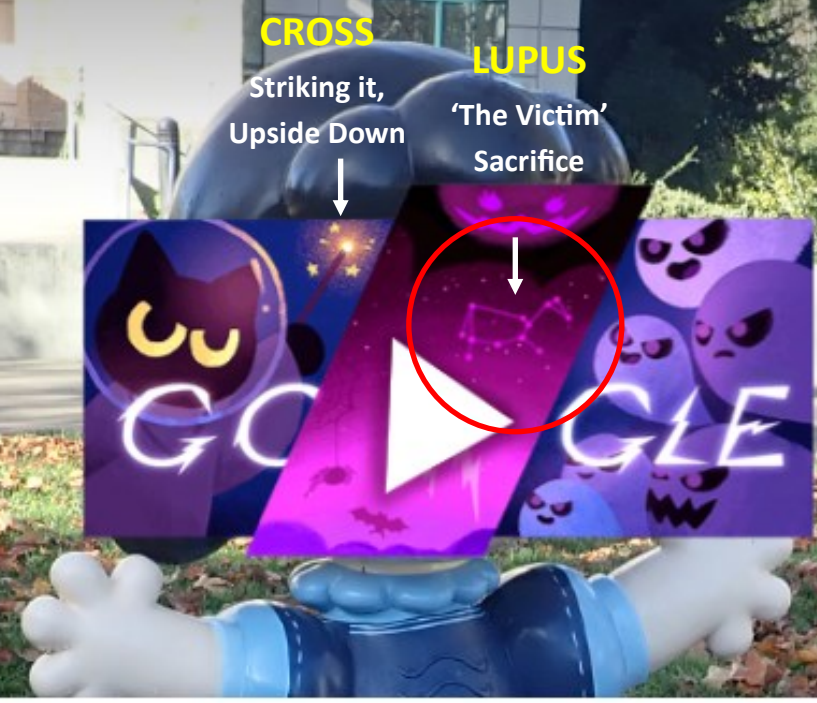

The purpose is to show how the Doodle from Google commemorating the Feast of All Hallows Eve, has a Hidden, in Plain Sight, Mocking of Jesus' Crucifixion and Sacrifice Motif. This is Astronomically depicted by the Minor Constellation of Lupus or the Wolf, Centaur and the Cross. The Lupus means a Sacrifice or a Victim. It is that of a Human Sacrifice as the Cosmic Sign that infers the Crucifixion and Willing Sacrifice of Jesus. Jesus as the GOD-Man was as the Centaur with a Dual Nature, etc. What is depicted is not that of a Cute Black Cat fighting-off Ghosts with its Wand, but Striking Jesus with it on the Cross, upside-down, as it casts a '666' Magic Spell to summon Demons that require a Human Sacrifices or Victims during this Halloween Witching Hour.

ANTON LAVEY
This is what the Founder of the Church of Satan, had to say about Christians celebrating Halloween.
'I am glad that Christian Parents let their Children Worship the Devil at least 1 Night out of the Year. Welcome to Halloween'.
