Detailed Inspection Agreement File

The party signing below gives Stucco Retro WT, Inc. the right to perform a non-intrusive inspection of the exterior cladding on the home at the following address and in accordance to its description on page 8 of the Stucco Retro™ program:

Owner or legal agent _____		
Company Name _____		Address _____
City _____	State _____	Res. Phone _____
Bus. Phone _____	Cell Phone _____	Pager # _____
Fax # _____	Other Contact _____	Age of the Home: _____
Age of Roof: _____	Square Footage: _____	Number of Stories: _____

The following information will be supplied in regard to the cladding on the home.

- A written report within 7 days, stating an opinion on:
 - The type cladding on the home.
 - The present condition of the cladding.
 - If the cladding meets the Federal Specifications for its type.
 - The presence or lack of the critical details required to properly seal the system.
 - Areas that need immediate attention.
 - Areas of potential problems.

As this inspection is non-intrusive, we can only comment on the visual conditions of the cladding. There may be installation details or other hidden defects or problems, which cannot be determined by a visual inspection.

Stucco Retro provides an extension ladder of 20 feet, if taller ladder is required there is an additional rental fee.

The cost of the Detailed Inspection shall be pre-paid. The amount is \$_____.
