# SPIRITUAL CONFRONTATION BETWEEN THE SONS OF JUDAH & ELAM

Both descendants of Israel and Iran are expecting their long-awaited Messiah to come. This 'Messiah' is the 'Son of David' for the Jews and the 12<sup>th</sup> Imam or Mahdi for the Shia Muslims of Iran and Sunnis in general. Each is holding out that their Messiah is the one that will defeat and destroy the other. Each holds that they have the true rendition of 'Gods' final revelation with permission to rule and conquer the world. To the Shia branch of Islam, the Iranian foreign policy has thus sought to aid in the ushering in of their 'Messiah' or Mahdi. The 12<sup>th</sup> Imam is said to bring the 'Islamic Paradise' on Earth ruling from Jerusalem. This Islamic 'Messiah' will make a 7 years pact with the Jews. The Mahdi along with the Islamists Jesus Christ will convert all the Jews and Christians to Islam- by force if necessary. Christians in general believe that this Mahdi will be the AntiChrist of the books of Daniel and Revelation. This figure will be empowered by the ancient 'Spirit of the Prince of Persia', a powerful demonic Fallen Angel of the legions of Lucifer. As this demonic Prince of Persia is to rise against Israel in the Last Days per the Prophet Daniel. Spiritually, it is using Iran's current geo-political and religious institutions to manifest this Satanic hatred for the GOD of the Jews and His Earthly People as it did during the ancient times of Esther and Daniel in Persia or Iran. Likewise, the Arch Angel Michael is portrayed as the special Guardian or protector of Israel as a counter weight. Perhaps this future celestial conflict will correlate to an earthly confrontation between Israel and Iran that may very well be played-out during the Gog-Magog War.

### A RELIGIOUS WAR

At the chore of this stand-off is a struggle for which version of eschatology will prevail in the end and is true. Judaism has to be destroyed according to the Koran because it is tied to YHVH's promise of the Land and Jesus' return. Iran as a pretext for its foreign policy is exclaiming the cause of the Palestinians - their sole claim to the Promised Land. The following is a comparison of their conventional military based on public records.

ХX

Israel Iran		
176,500	Active personnel	545,000
445,000	Reserve personnel	1,800,00
