

Tuesday Prayer

Family

Heavenly Father today we come to you with hearts of prayer and gratitude. Thank You Almighty God for our families. Thank You for Your wisdom and divine strategy in placing us in our families. Thank You for building and bridging gaps in relationships where it is time to forgive and move on. Thank You for protecting us and keeping us each and every day. Father, I pray right now for the children that need protection, that You would supernaturally intervene and bring justice and peace and restoration to all the children that need it. Thank You Lord for raising up strong and loving and nurturing parents who will take a roll in their childrens lives. Thank You Lord for restoring the Father roll back into families. We ask You Lord to step in where there aren't any fathers or mothers and be the miraculous support that only You can be in times of need. I pray for families all over the world to come to knowledge of Jesus Christ. I pray Lord that You would help

family to come back together and keep the enemy out of their eyegate and eargate. Father may moms and dads in our communities and neighborhoods start to get involved with their children and educate them and care for them and not put a burden on their children they aren't ready to bare before their time. I ask Lord that children would stop bullying in the schools systems and in their families and I ask for the Spirit of Shalom and Love to run rampart in the families in our communities. I pray for favor over each family praying this - favor when they go and when they come, favor when they rest their heads at night, favor when they need it on the job, and favor in marriages. I pray You would restore marriages and move deeply into marriages who need a nudge in the right direction. I pray that hearts would be open to Your calling and Your leading in Jesus name. Thank You for Families Lord - may You bring supernatural JOY to all who are praying right now. In Jesus Holy Name. Amen!
